Stayton Man Heir To Large Fortune

STAYTON, Nov. 12.—One perfectly good saw filing shop will no doubt soon be advertised for sale here, and the cause of the sudden change of mind as to his business career here was a letter received this week from attorneys in Scotland.

Three weeks ago H. S. Johnston of Seio came to Stayton to open a small saw filing shop in the Joseph J. Lamprecht building. His wife remained on their three-acre tract near Seio while Mr. Johnston filed saws and cooked his own meals in an upper room in his small shop.

The letter from the attorneys in Scotland informed Mr. Johnston that he was heir to a large fortune bequeathed him by an aunt who died recently. Mr. Johnston was born in Scotland, but had left that country at the age of four years.

Each year at Yuletide ever since he can remember, a letter has arrived and enclosed therein would be a four-pound note.
