Bids In Today, State Capitol

Award Early Next Week Forecast; WPA Will Check Proposals

(Continued from page 1) The awarding of the contract for the new state capitol is intended to have the two buildings match if possible.

Bids were submitted on the postoffice building on marble, sandstone and limestone. At the request of Senator McNary, Salem chamber of commerce and other Salem people the awarding of the contract was held up until the capitol bids were opened.

Undercrossing to Be Utilized Soon

(Continued from page 1)

Railroad service has been diverted since the undercrossing project began. Highway paving has been completed through the tunnel from the south end of the project and from the "shoo-fly" line north to the main road.

When the big project is completed, it will provide a 44-foot roadway for motor traffic and five-foot sidewalks on either side for pedestrians.

Berni said his crews were well ahead of schedule although the recent cold weather nearly forced a halt in construction.

Untiedt Quits as Legislature Page

DENVER, Nov. 19.—(AP)—Bryan Untiedt, hero of the Tower, Colo., school bus tragedy in 1931, quit his job as a page in the Colorado legislature tonight after two days' work.

He accepted a permanent post with a packing company. "I'm afraid I didn't know what this legislature job was all about, anyway," he said.

Waconda—Mr. and Mrs. Ward Manning entertained Sunday at their home east of Waconda.

Untiedt, who at 13 years of age was credited with saving 15 fellow school children from freezing to death during a March blizzard which trapped the bus, is now

ment service. If the re-employment service gives the applicant a certificate that he is in need and that no work is available, then the state relief committee certifies him for a WPA job.

Goudy stated, however, that the WPA organization has eliminated jobs for all men over the age of 65 years, and has cut the ratio of women from 21 per cent to 6 per cent. These he said, would have to be taken care of later by the relief committee.

The state relief headquarters is as busy now as any time since it was started, he said, and there "appears to be no letup in applications."

When You Want to Alkalize Stomach Fast

Try This Amazing Fast Way —The "Phillips" Way Millions Are Adopting

On every side today people are being urged to alkalinize their stomach. Acid thus causes symptoms of "acid indigestion," nausea and stomach upset.

Relief comes almost at once—usually in a few minutes. Nausea, "gas"—fullness after eating and "acid indigestion" pains leave. You feel like a new person.

Try this way. Get either the liquid "Phillips" or the remarkable, new Phillips' Milk of Magnesia Tablets. Each one equals a teaspoon of the liquid. Only 25¢ a box at all drug stores.

PHILLIPS' MILK OF MAGNESIA

Major construction work will be completed in about two weeks. The water department will have the task of filling soil in around the reservoir and landscaping the grounds. Plans are to make the site one of the city's beauty spots.

FEARED STOMACH GAS WOULD SMOTHER HER! NOW VAN-TAGE RELIEVES

Mrs. Mitchell of Brooks, Ore., Was Almost Driven Crazy by Gas, Bloat, Dizzy Spells, Lack of Sleep — Now Relieved, She Says: "I Want to Tell the Whole World About Van-Tage!"

"The Day I Took VAN-TAGE Was the Turning Point of My Life," Says Mrs. MAE MITCHELL, Popular Local Lady Who Had Suffered for Over 5 Years.

Remarkable Statements—from many parts of this city and general section—are praising and endorsing VAN-TAGE, continue to pour in daily to 170 N. Liberty Street, Salem, where this "Amazing Mixture of Nature's Roots and Herbs and Other Splendid Ingredients" is being introduced.

For instance, just a few days ago, the following Remarkable Statement, describing what VAN-TAGE can do in certain forms of suffering, was received from Mrs. Mae Mitchell of Route No. 1, Brooks, Oregon.

Afraid to Lay Down Due to Horrible Gas

"I had terrible stomach trouble for over 5 years," says Mrs. Mitchell. "Everything I ate turned sour in my stomach. Then I would get that awful gas and bloat and I would sweat up terribly. I WOULD JUST ABOUT SMOTHER! The little bit of food I managed to force down would not digest but would lay heavy in my stomach and give off this bitter gas. If I tried to eat meat during the day, I had bad dizzy spells and at night I had to be propped up in bed because if I lay down I was afraid the Gas Would Choke Me! I had headaches that nearly drove me crazy, and I didn't have a good night's sleep for over 5 years!"

Now Her Awful Pains Are a Thing of the Past!

"I used all kinds of medicines and got no relief. I didn't know what to do. Then I heard so much about Van-Tage that I decided to give it a trial. THAT WAS THE TURNING POINT OF MY LIFE! Now I eat meat or anything else I want. It digests and doesn't turn sour or feel heavy in my stomach any more. I have no more gas, bloating or

painful swelling. Dizzy Spells and Headaches are all gone. I can lie down and there is no more gas to choke me. Now I am gaining weight and my husband tells me I look so much better. And I feel better! My breathing is easy and I can do all my work again and am able to take care of my two children. I cannot tell you how good it feels to really sleep at night again. I want to tell the WHOLE WORLD about this wonderful medicine, Van-Tage. It has done so much for me that its value cannot be expressed in dollars and cents!"

Is Like Taking Several Medicines at Once

VAN-TAGE contains over 30 ingredients. So it is almost like taking several medicines at once and the same time. That is why this Amazing Formula has such a Splendid Action on suffering people. Some of its ingredients clear gas and bloat from stomach; others give the bowels a great cleansing; still others enliven the action of liver and kidneys and relieve rheumatism, neuritis, and pain caused by these sluggish organs. Weak, miserable people daily write us they get such a cleansing and invigorating from Van-Tage, they soon feel like different men and women.

A Special Van-Tage Representative, known as the VAN-TAGE Man, is now at 170 N. Liberty Street, Salem, daily meeting crowds of people and introducing and explaining this Remarkable Compound.
