Now Ease Neuritis Pains Fast

Bayer Aspirin

Bayer Tablets Dissolve Almost Instantly

For Amazingly Quick Relief Get Genuine Bayer Aspirin

If you suffer from pains of neuritis what you want is quick relief. Genuine Bayer Aspirin tablets give quick relief, for one reason, because they dissolve or disintegrate almost instantly they touch moisture. (Note illustration above.) Hence—when you take a real Bayer Aspirin tablet it starts to dissolve almost as quickly as you swallow it. And this is really to start working almost instantly, i.e. headaches, neuralgia and neuritis pains start easing almost at once.

That's why millions never ask for aspirin by the name aspirin alone when they buy, but always say "BAYER ASPIRIN" and see that they get it.

Price Case Is Nearing Close

Rebuttal Testimony to Be Given Today; Outside Judge Is on Bench

With only rebuttal testimony of the plaintiff yet to be presented, the trial of the contested divorce case of O. E. Price against Lillian F. Price is expected to be concluded this morning. The defendant alleges that the plaintiff has failed to provide for her, and has offered to return to him. She states that he is worth \$75,000 and is asking alimony of \$200 a month or a lump sum settlement of \$25,000, attorney's fees and a one-third interest in the real property.

Yuletide Seal Sale to Begin

Workers Get Instruction; No Delivery by Mail Outside of Salem

Final instructions for the committee chairman who will conduct the 1936 Christmas seal sale in Marion county, outside of Salem, were delivered at a luncheon at the Quells yesterday when chairman H. H. Jones, president of the community gathered with officials of the Marion county public health association which is directing the sale. Official opening of the sale will be Thanksgiving day.

This year no seals will be sold by mail outside of the city limits of Salem and in the rural centers—119 in number—the seals will be delivered personally, either by representatives of sponsoring club groups or by the school children.

Ninety five per cent of the money which is derived from the sale of the holiday tuberculosis seal will remain in Oregon, and 70 per cent of all that is collected in Marion county will remain in this county for work to be done by the tuberculosis association here, officials of the public health association announced.

—Increase Sought

At the luncheon yesterday, following which Mrs. C. W. Stacey, county chairman for the seal sale, announced that the anti-tuberculosis film, "Behind the Shadows" was shown, and Dr. E. E. Berg of the Marion county department of health spoke on "Tuberculosis Prevention."

Marion county, along with the rest of Oregon, has been asked to increase its sales by 10 per cent this year over 1935, and leaders hope to attain this mark.

In Salem, where C. A. Sprague is seal sale chairman, seals will be in the mail Friday morning. Persons are asked to expedite the sale by sending in their finished seals as quickly as possible to seal sale headquarters, room 200, Masonic temple, where Marion county public health association headquarters are maintained.
