COLDS NOW OPEN UP OVERNIGHT!

When 4 Famous Medicines Act Together

Thousands of people who formerly suffered through miserable nights and agonizing days, now sleep peacefully and wake up colds by morning, thanks to the combined action of four great medicines.

In one simple tablet, chemists have brought together Aspirin, Alkalizer, Quinine and Laxative... medicines prescribed by doctors for the cure of colds. Each tablet does four important things at one time, thereby loosening up the cold so your body can get rid of it quickly.

"Four Doctors Cold Tablets"—that's the name, and here is what they do—First, the Aspirin acts as a pain killer. Second, the Alkalizer helps to neutralize acid condition. Third, the Quinine takes down fever. Fourth, the Laxative keeps the bowels open, gets rid of poisonous waste.

The astonishingly quick results from Four Doctors Cold Tablets have amazed one user after another. The four outstanding medicines in each tablet seem to have an improved action by working together.

Don't toy with a cold—get rid of it! Through the cooperation of the large medicine stores which carry the Four Doctors Brand Cold Tablets, we can supply a box of 12 tablets for only 45c.
