Jones Cleared In Crash Case

Not Guilty of Failing to Give Right of Way to State Trooper

After a jury trial in justice court yesterday, Crotwell James Jones was found not guilty on a charge of failing to give right-of-way to an emergency vehicle. Another charge of having no lights was dismissed on motion of the district attorney's office at the end of the first case. Jones was arrested December 31 after State Officer Loren Spaulding took to the ditch near Brooks to avoid a collision with Jones while making a fast run to Salem on a radio call to the station. Jones said in court yesterday that he had only two wheels of his car on the highway and that they only extended about two feet over the edge of the roadway. He also declared that the road was clear for two miles ahead of him.

Luckamute Is Frozen Over

Falls City Enjoys Skating on Pond; Weather Closes School

FALLS CITY, Jan. 8.—The extreme cold weather shut the city schools down Friday and cut the city water supply off due to the freezing of pipes leading from the reservoir on Teal Creek. The Luckamute river, for the first time in years, is beginning to freeze over. The pond is the most popular place in town with skating parties being held there every night. Mrs. D. J. Grant will entertain the Woman's club at her home Tuesday afternoon with a 1 o'clock luncheon. The J. C. Icken superintendent of the city schools, has been confined to his home for the past week with the flu. John B. Hatch has been taking his place at the high school. The Richfield grange drill team will initiate the local grange candidates at their rooms in the I.O.O.F. hall Monday night, January 11. A short program, refreshments and a social hour will follow.

Snell Asks Study Of \$10 Truck Fee

Consideration by the 1937 legislature of a serious situation affecting more than 25,000 motor vehicle owners in Oregon, has been urged by Secretary of State Snell in a letter addressed to the roads and highway committee of the senate. Snell referred particularly to that section of the motor vehicle act requiring payment of a \$10 flat registration fee on all vehicles which have a combined weight, vehicle and load, of 4000 pounds or less, when designed for and used for carrying, conveying or moving of any freight, property, article or thing. Snell's letter said: "The outstanding objection to the present license fee on vehicles of this classification is the failure to provide for a vehicle on the average do not exceed as to gross weight or miles operated that of the average passenger car, which may be licensed for an annual fee of \$5."

Job of Hangman Is Applied For

Application for the job of official hangman at the Oregon state penitentiary, to succeed the late William B. Lamb who died in Portland Wednesday, was received at the executive department yesterday. The letter bore a Portland postmark. Governor Martin refused to reveal the name to the applicant but said the letter would be referred to Warden Lewis. "I am a man with iron nerves," of Scotch-Irish descent and 30 years old," the applicant wrote. "While I have never had any experience in this line of work I believe I could fill the bill." Lamb, prior to his death, had officiated at 14 hangings in the Oregon penitentiary. The last execution involved Walter Kingsley and was held in 1921. Kingsley was the first man to be hanged in the state since Harry the hangman is classified as a guard and receives no additional compensation for officiating at hangings.
