

Oregon Rallies Mightily to Edge Out Beaver Hoop Quintet

Bearcats Pick Up Speed, Win

Versteeg, Nunnenkamp and Anton Set Pace For 42 to 35 Victory

"Spec" Keene's blistering Bearcats shook off their bustle last night and put on some hustle instead as they downed "Mush" Torson's crew of Wagner's All-Stars from Corvallis 42 to 35.

Showing not only a lot of scoring ability but more often than not passing the ball around like a bunch of veterans, the Bearcats hit a stride better than they had shown since the season opened.

Charley Versteeg, Bill Anton and Larry Nunnenkamp were the three chiefly responsible for building up the Bearcat score. Versteeg went hog wild to score 14 points, his biggest total of the season, while Anton clipped off 11. Nunnenkamp, who has been warming the bench since he failed to live up to great expectations in early games, finally showed that he has the stuff and was the big push of the Bearcat offensive in the first half when it was pretty much neck and neck.

Tied Four Times
Willamette went into the lead late in the first half, after the score had been knotted four times, on two swift field goals by Charley Versteeg and stayed there. It was 19 to 11 at half-time.

The first half had been dog eat dog and the second half was more so. There were 29 personal fouls called during the contest and Cliff Folen and Wilbur Kidder, former Oregon State stars playing for Wagner's, both left the game on two many violations. Kidder, an unruly redhead, also came in for a pair of technical fouls.

The Bearcats lost little time in the second half. Bill Anton pushed one in to start it off and then Charley Versteeg, who was doing things by pairs, got two field goals in a row, one a close-in push shot, the other a looping distance thing.

Versteeg's long prayer shot swished through just after Harry Mosher had frantically shouted "three" play. Charley, number three, and it was agreed that number three play was a very effective one indeed.

Versteeg potted one of two free throws to make it 25-16, a fairly good lead considering that only 2 1/2 minutes of the half had elapsed.

Stay Little Ahead
From then on in the Bearcats kept a lead that was never less than five points but never as much as ten. They were given much trouble by the Sandoz twins, a pair of lads who two seasons ago played for Corvallis high. Fred Sandoz potted field goals merrily with a practically unguardable leaping push shot while All was an Ant who poked on the foul line. Fred with his 11 points was the best point garner for Wagner's.

After Willamette's initial spurt in the second half Wagner's gathered momentum and played the Bearcats practically even for the rest of the half. They couldn't get ahead though with Charley Versteeg and Bill Anton working the net cords overtime.

Wagner's was closest and threatening with about six minutes left when Willamette led by a scant five points 37 to 32 after Bill Lemmon, Bellfontaine coach, had slammed in a field goal from close up on a quick pass from Torson and All Sandoz had converted a free throw.

Anton and Bill Beard took Willamette out of danger. Beard with one of his nonchalant shots from the next county for a field goal and Anton with a free shot but the other Sandoz and Lemmon, this time with a long shot, drew Wagner's up again as time grew short.

Tomscheck's two fouls against Versteeg in the final minute served to use up time as well as to let Versteeg make two more points.

Tillamook Beaten
The Willamette Freshman, led as usual by diminutive Cecil Queseth, scored a 27 to 15 win over Russ Rarey's Tillamook high quint. Queseth scored 10 points for the Bearkittens. They will meet Tillamook there next Friday.

The Tillamook junior high hand enlivened the occasion and made several spectators wonder where the Willamette band riber-nated after football season.

Seven Points Behind With But Four Minutes Left, They Tie It, Orange Goes Ahead, Then Final Shot Wins

CORVALLIS, Ore., Jan. 15.—(AP)—The University of Oregon's hoop team, trailing 7 points with but four minutes to go, shot into the lead tonight to defeat Oregon State college 35 to 34. The victors were behind 21 to 16 at half-time.

Oregon State had increased its 5-point mid-game lead to a 33 to 26 score in closing minutes of the battle but the Webfoots were far from through. The winning basket came with no more than seconds to spare.

Tonight's game was one of the most hectic-hair-raising affairs seen here in years. With the score tied at 33-all, Hollingsworth for the Staters and Wintermute for Oregon both had free throws but missed them. Hub Tuttle, however, put the Beavers ahead with a gift shot and with the gun almost ready to sound, Ken Purdy grabbed the ball on a throw-in and swished it through the net.

Even then the suspense was not ended—the timekeeper's gun misfired and officials ruled the game on until it sounded a few seconds later.

The score was tied six times in the first half. Art Merryman, Oregon State forward, whanged in eight baskets and five free throws for 21 points and scoring honors. He contributed largely to the 10-point lead, 33 to 23—the Staters took midway in the second half but Purdy's three long shots for two points each late in the game, with good support from other Webfoots, told the final story.
