

### Production Credit Group to Convene

Meeting Is Scheduled Jan. 25, Fraternal Temple; Luncheon Planned

The third annual meeting of the Willamette Production Credit association will be held at Fraternal Temple in Salem on January 25, at 10 a. m. It is announced by Secretary-Treasurer J. M. Throne.

To make the occasion a real "get-together" combining both good fellowship and an interesting business program, plans include a complimentary luncheon, short and snappy talks and a clear concise report on the association's operations during the past year. All stockholding farmer-members are urged by Mr. Throne to

be present and take an active part in the meeting.

The association has made good progress during the past year as more farmers have learned the advantage of financing their operations cooperatively through their own institution.

With one vote each, stockholders will elect to fill two places on the board of directors which has the responsibility of conducting the association's business in a sound way. Present board members are: Geo. H. Fullenwider, President, Carlton; Claude Buchanan, vice president, Corvallis; H. S. Merriam, Goshen; John W. Hamage, Woodburn; and F. W. McMinden of Astoria.

### Called by Death

SILVERTON, Jan. 15—Mrs. Tom A. Anderson received word Thursday of the death of her father at Seattle and left at once for there. He had been visiting at Silvertown and was taken to his Seattle home last Sunday.

### Many Legislators Leave For Homes

Most of the legislators living in western Oregon left for their homes prior to noon Friday and a number of them will not return until Monday morning. Others will arrive here Sunday night.

Several legislators residing east of the Cascade mountains will spend the weekend in Portland. President Franciscovich of the senate left for his home at Astoria at noon.

Speaker Bolvin of the house will remain in Salem.

### Farewell Party Held

STAYTON, Jan. 15—A farewell party for John Butler and Wilmer Pouliot was held Monday night at the Butler home in Sublimity. They left Tuesday morning to begin a three year enlistment in the army. Games were played followed by a late supper.
