

Large Southern Hemisphere Shipments Pull Wheat Mart Down

Price Drops Over 3 Cents

More Than 20 Millions of Bushels Clear From Argentina

CHICAGO, Jan. 22.—(AP)—Immense shipments from the southern hemisphere, especially Argentina, tumbled wheat prices down 3 3/4 cents a bushel here today following abrupt collapses of values at Liverpool.

At the close, Chicago wheat futures were 1 1/2-2 1/2 cents under yesterday's finish. May 127 1/2-1/2, July 122 1/2-1/2, Sept. 108 1/2-1/2, corn 1 1/2-1 1/2, down, May 107 1/2-1/2, July 105c, Sept. 92 1/2-1/2, oats 1 1/4-2 1/4 off, May 49 1/2-1/2, and rye showing 1 1/2-2 1/4 drop, May 107. Provisions results were unchanged to 7 cents lower.

Report Big Movement

An enormous total of 20,341,000 bushels of all grains was reported as having cleared from Argentina this week. It was added the movement of cereals from the interior is remaining of huge volume.

Although sub-zero weather prevailed in parts of the domestic wheat belt, the forecast was for rising temperatures. Winnipeg estimated only about 300,000 bushels of Canadian wheat taken for export.

Corn, oats and rye sympathized with market setbacks.

Domes' Turkeys In Big Winnings At All-American

Henry Domes, Rickreall turkey breeder who is at Grand Forks, N. D., at the All-American Turkey show, won outstanding awards on both live and dressed White Hollands which he exhibited in the show, according to a wire received from him by Mrs. Domes.

Domes' winnings at this show follow unprecedented one-breeder winnings at the Oakland turkey show in his home state.

Silverton City Fathers Laugh at Error in Type Caused by Machine Slip

SILVERTON, Jan. 22.—Silverton's city council members, perhaps inclined at first to call down the wrath of the heavens, were today laughing with others at an individual's typographical error which occurred in the Statesman's story Thursday morning in news account of the chamber of commerce meeting here Wednesday night.

The story as written by the Silverton correspondent was correct, the error being made when the linotype operator attempted to correct a less conspicuous error which came through in the proof of the story.

(Note—The above is written in the Statesman office, but for obvious reasons is carried under a Silverton dateline.)

Gardeners' and Ranchers' Mart

PORTLAND, Ore., Jan. 22.—(AP)—As the result of low temperatures in the Pacific northwest, fruits and vegetables on the gardeners' and ranchers' market moved higher today.

Citrus fruits, oranges and lemons were up and maintained a fairly active demand.

Lettuce was up considerably and onions and potatoes were active at a higher level, mostly due to the cold spell.
