

Appropriation For Hospital Is Urged

Oak Point School Society Is Host to Neighboring Business Men

OAK POINT, Jan. 28.—Mrs. G. A. Peterson, sr., entertained Independence Rural Woman's club at her home Tuesday afternoon. Legislative events were discussed and the club favored the legislative voting appropriations to the Doernbacher hospital.

Mrs. Lavant Pease gave an article on the big telescope in Los Angeles, called the "Two Eyes." Mrs. Rodney Peterson assisted Mrs. Peterson.

Entertain Business Group
Chicken and noodles were the main bill of fare at the schoolhouse Tuesday night, when the Oak Point school society entertained the members of Independence commercial club and their wives with a 7 o'clock dinner. Despite bad weather and a number sick with colds, a fair sized crowd was out. After the dinner an interesting program was given, with Mrs. R. O. Alderson, president of the society, giving an address of welcome, with response by Dr. M. Butler of Independence.

A reading, "Obediah's Elopement," was given by Mrs. Elifson; songs, "Irish Mother of Mine" and "Empty Saddles," by Mr. Amsherry, and tap dancing by June Charabanc, Mildred Pomeroy and Marvel Coon. The Loma chorus of Monmouth and Independence gave two numbers, and County Agent W. C. Leth gave a short talk. Senator Dean Walker introduced Henry Cabell, who talked on "Highways."

Water Users Get Third Reduction

HUBBARD, Jan. 28.—Owing to the fact that the city of Hubbard is out of debt, the city council has reduced the water rent 3 1/2 per cent. The council will be much more strict in the use of water than in the past by making more accurate and regular readings of the meters. James Plata was named water master.

Mr. and Mrs. Charles Beyers of Garibaldi are visiting at the home of Mr. and Mrs. George Leffler. Beyers is a teacher in the high school at Garibaldi but due to the flu the school was closed.
