SILVERTON, Feb. 25—Eighty parents and guests attended the Silverton chapter Future Farmers of America "father and son" banquet held in the home economics department of the senior high school. The number taxed the limits of the room facilities and precluded the boys bringing their mothers also, as they had desired and had previously done when numbers of students in the Smith-Hughes department were not so great.

The main feature of the evening was the showing of two reels of motion pictures, "Guerneys in the Antarctic," depicting the place which Guernseys played on the last trip of Admiral Byrd to the South Pole. The movies were accompanied by an interesting explanation of incidents by George Angell, field representative of the Oregon Farmer.

Other special guests and speakers of the banquet were Mrs. George Angell, Harold Bennett, Independence Smith-Hughes instructor; Harold Davis, principal junior high; Clare Milhauser, president Independence F. F. A.; Robert Goetz, superintendent of schools; Herman Kramer, principal senior high school; H. B. Jones, member school board; Clifford Rue, president chamber of commerce; Earl Ross, Alex Lichty, Leonard Lichty, O. S. Rice, Jack Rice, J. J. Doerfler, Joe Doerfler, Anton Dahl, Orlando Dahl, F. L.
