# VAN-TAGE RELIEVED HIS INDIGESTION! PORTLAND MAN'S HEADACHES END!

"I Was Almost a 'Wreck in Health,'" Says Mr. Conner, of N. E. Hoyt St., Had Suffered 15 Years With Gassy, Bloating Stomach—Constipation—Dizziness—Sick Headaches. Now Van-Tage Has Relieved Him and He Urges Others Who Suffer Like He Did to Take It.

Mr. Elza Conner, of 5015 N. E. Hoyt St., Portland, is the Latest Widely-Known Oregon Resident to come out with his remarkable statement, praising and endorsing the health-giving compound, known as VAN-TAGE, which is now being introduced to crowds daily here in Salem, at 170 N. Liberty Street, by a Special Van-Tage Representative, known as "The VAN-TAGE Man." What Mr. Conner has to say about Van-Tage is so amazing that it needs no introduction whatever, so we will say only that he has lived in Portland for the last 25 years and is one of that city's Best-Known Residents, and will then pass on at once to his remarkable statement which reads as follows:

### Sluggish Organs Caused Awful Sick Headaches

"For a period of about 15 years I had been almost a 'wreck in health,'" said Mr. Conner. "My bowels and stomach kept getting more sluggish and upset all the time and finally I got to where I was in pain and misery CONSTANTLY. I had the most awful attacks of indigestion and everything I ate turned sour and formed gas in my stomach, which crowded into my chest around my heart and put me in such pain that I would get dizzy and nauseated and had the terrible sick headaches. My stomach finally got so bad that I couldn't take one bit of food into my stomach without suffering terribly afterwards. My bowels were badly constipated, too, and whatever food I did manage to eat, just laid in my stomach in a heavy lump and wouldn't pass through my digestive tract. In fact, my bowels had been constipated so long that it became chronic with me and I was a constant user of laxatives and pills, being forced to take something of that kind nearly every night. My whole system was upset and sluggish and the many different medicines I took to try to get some relief did not help me at all."

### 21 Great Natural Herbs in the Van-Tage

VAN-TAGE contains 21 Herbs and nearly a dozen other Splendid Ingredients. So, this compound accomplishes several things at once and acts as a cathartic, laxative, cholagogue and diuretic, thus cleansing bowels, bringing forth gas and bloating from the stomach, and invigorating sluggish liver and kidney activity, and daily, miserable people write us they feel different all over. Another thing—due to the immense volume in which it sells, the Price of Van-Tage is Reasonable. So, if you suffer as described herein, don't hesitate. Get Van-Tage—TODAY!

A Special Van-Tage Representative, known as The VAN-TAGE Man, is now at 170 N. Liberty St., Salem, daily meeting crowds of people and introducing and explaining this remarkable Compound.

On Sale at Fred Meyer Toiletory & Remedy Shop 170 N. Liberty St.

"I Never Saw or Heard Tell of Anything Like the Wonderful Action of VAN-TAGE!"—MR. ELZA CONNER, 5015 N. E. HOYT ST., PORTLAND.

"I Found this Great Medicine, for I never saw or heard tell of anything like its wonderful action on a person's system. My food never turns sour and causes that awful gas like it did, but instead, it digests perfectly and I never have those pains around my heart and in my chest and I don't feel nauseated and dizzy. And what a relief it is to be rid of those terrible sick headaches that used to make me so miserable! It gave my bowels a great cleansing, too, and they are regular every day, and I hardly ever need a laxative or physic now. This is indeed a Wonderful Medicine and I want to urge others who suffer like I did, to get it and take it, and that is the sole reason I am making this statement publicly endorsing this remarkable Medicine."
