## Judge Decides Involved Case

### Three-Way Judgments Are Modified; Picket Case Answer Is Filed

Circuit Judge L. H. McMahon yesterday afternoon gave his decision on the contested judgment in the automobile accident damage action of Joe F. Ringwald against Douglas McKay, Inc., and Dean R. Adams which was recently tried before jury. The court overruled motions of both the plaintiff and defendant McKay for modifications of the verdicts and then decreed that damages awarded the McKay firm should be reduced from \$223.63 to \$25.

The award was reduced, the court order stated, because McKay already had been paid \$197.63 by an insurance firm for repairs to his damaged automobile. The jury had returned three verdicts, one for both defendants, one for Adams without damages and one for McKay with \$223.63 damages against plaintiff.

Testimony will be taken in department two of circuit court beginning at 10 a. m. today in the suit brought by Lena Newmann against John F. Johnstone and Ross Mitchell for performance of an alleged contract whereby Johnstone was to sell farm property to the plaintiff for \$3300. In addition to performance of the contract, the plaintiff asks \$1800 damages. In his answer Johnstone asserted that he had declined to carry out the contract.

Chambers and local 452 of the Culinary Alliance in her suit to have legal picketing defined. ## Turnover of '37 Taxes Made Here

### Amounts to \$93,921, With Larger One Forecast For Coming Week

The second turnover of 1937 taxes since the new roll was issued in February was announced yesterday by T. J. Brabec, deputy in charge of Sheriff A. C. Burk's tax department. The new turnover aggregated \$93,921.57 and brought the 1937 distribution to a total of \$165,696.50.

Of yesterday's turnover \$17,784.97 was earmarked for the city of Salem, \$14,182.23 for the Salem school district, \$135.45 for the city of Silverton and \$2,820.91 for the Silverton school district.

Brabec said a still larger turnover would be made next week. This turnover will include the heavy tax payment made by the Southern Pacific company a few days before the March 15 deadline.

The tax department will continue to rush its turnover work as rapidly as possible but faces a difficult task because of the mass of bookkeeping entries necessitated by the breaking down of tax payments into the shares of the more than 100 school districts and the numerous other subdivisions in the county, Brabec said.

## First Christian's Cantata Arranged

"King of Glory," a choral cantata by R. S. Morrison, will be presented by the vested choir of the First Christian church, corner of Center and High streets, Sunday night at 7:30 o'clock. The cantata begins with a prologue in four parts. Introduced by an organ prelude, the prologue begins with the chorus, "This Is the Day." Gertrude Cherrington then follows with the solo, "O Lord, Thou Art My God." Part three consists of "Sing Unto the Lord a New Song" by the choir and "I Shall Not Die But Live," a duet by Harold U'Renn and Fred Bates. "Who Is the King of Glory?" closes the prologue.

The main part of the cantata deals with the resurrection story. "In the End of the Sabbath" by Gertrude Cherrington and Elene Douglas introduces the story.

## Why Laxatives Fail In Stubborn Constipation

Twelve to 24 hours is too long to wait when relief from clogged bowels and constipation is needed. For these reasons, take a liquid compound such as Adierika. Adierika contains SEVEN cathartic and carminative ingredients that act on the stomach and BOTH bowels. Most "overnight" laxatives contain one ingredient that acts on the lower bowel only.  
Adierika's DOUBLE ACTION gives your system a thorough cleaning, bringing out old poisons and wastes that may have caused GAS pains, sour stomach, headaches and sleepless nights for months.  
Adierika relieves stomach GAS at once and usually removes bowel congestion in less than two hours. No waiting for overnight results. This famous treatment has been recommended by many doctors and druggists. It may have saved your life half hour before bedtime and in a short while you will feel marvelously refreshed.
