

Most Grain Up On Heavy Mart

Italian Buying Stimulant as Wheat and Corn Hit Ten Year High

CHICAGO, March 27.—(AP)—The Chicago grain pits boiled with buying that lifted wheat and corn to 4 cents a bushel today to prices eclipsing all high records in the last 10 years.

Traders throughout the world shunted activity to the Chicago exchange because foreign markets were closed in observance of the Easter holiday.

Two important propelling forces stimulated the respective markets—reports that Italy not only had bought soft Pacific coast wheat for shipment next month but was in the market for more, and heavy sales of cash corn out of Chicago presumably to the eastward.

Wheat closed 1 1/2 to 2 1/2 cents above Thursday's finish, May 1.42 1/2, July 1.28 1/2, September 1.25 1/2, and corn was 2 1/4 to 4 cents up, May 1.18 1/2, July 1.12 1/2, September 1.06 1/2.

Oats gained 1/4 to 1/2, May 49 1/2, provisions 3 to 25 cents. Heavy sales of cash corn by shippers out of Chicago—500,000 bushels Thursday and 115,000 bushels today.

Oats and rye sympathized with wheat in the futures markets and heavy stop loss buying caused the spectacular advance in May corn. Cash prices were quoted 2 to 4 cents higher.

Provisions rose with the price of feed grains. Cash prices were quoted 2 to 4 cents higher.

There were individual strong spots in today's stock market but the list as a whole idled in restricted territory.

Transfers of 521,590 were the smallest for any session since Sept. 12 last year. The Associated Press average of 60 issues edged up .3 of a point at 71.6.

News was fairly comforting from a market standpoint, but buyers found the few customers who appeared in the boardrooms inclined to do little or nothing while waiting for final accord in the Chrysler labor controversy. Secretary of Labor Perkins after the close said this was imminent.

Steels were still able to reflect the highest mill operating rate since 1929 and the heaviest demand in some instances since the world war.

Up fractions to a point or so were U. S. Steel at 118 1/2, Bethlehem 97, Anaconda 64 1/2, Kennecott 62, and Goodrich 46 1/2.

General Motors lost 1/2 at 63 1/2 and Chrysler was up as much at 125 1/2.
