was suddenly completely aware of something he had sensed vaguely before—that Felicia disliked him. So, he would get no more information from her than she decided to

give. He said slowly, making conversa-tion: "I'm well enough. I've been a bit tied down with Father."

"Yes; sorry to hear he was ill, was glad when I heard he was better." Her voice was so completely indifferent that he laughed; and she smiled, a little maliciously.

"I'll tell you everything you want to know in two sentences, Keith: We all feel Denise has made an excellent marriage, that it will last, and is the best thing she could have done-that Gilbert will take good his desire! care of her; her letters sound completely happy. They plan to stay abroad a year, and are, at present, in Cairo.

"Of course, I don't know whether to believe one word of it, except that was like herself. She reiterated that they're in Egypt. I've no reason to doubt that." Denise would never come back, antil he told her furiously that she was a

malevolent Cassandra. Then she laughed at him, and asked him to A small dimple showed at the corner of her pretty mouth. "Dance stay for dinner. with me, Keith. As I remember, you

"Why did you?" Her voice was suddenly gentle; she put a lovely hand on his sleeve. "Don't look murderous. I wanted Denise to be always safe. She couldn't have been, with you." But his anger only lessened a laughed. . . .

little. "That's what you married for too

isn't it?" "Shot in the dark, Keith. I sha'n't tell you if it landed." "Not interested."

"Thanks."

"Thanks." "Thanks." Moving slowly about the crowded flood, he said: "I think I shall go abroad and take Denise away from her highly reputable husband. She and I belong; and you don't know what you are talking about." "I shall go to your father." He chuckled. "You mean it, don't you; and you guess that, newly re-covered from pneumonia, he can't stand shocks—and that having come into money, I feel grateful. Did anyone ever dislike you violently before?" "I am not sure." "You are beautiful, trivial, no good at all." "You are beautiful, trivial, no good at all." "We'll go back to the table, if you den't mind". "I and things." "Inter call them victorias, "We'll go back to the table, if you den't mind".

"I learned that, sometime since. ... Let her alone, Keith; you will only damage her." "I learned that, sometime since. . Let her alone, Keith; you will only damage her." "So positive." She sighed: "Antagonism is a pleasantly strong emotion, isn't it?" "T assure you my antagonism for you is the strongest emotion I've felt in years." "All right. Come to see me, Wednesday, at tea-time, and let's have more of this." He did not say that he would come. But somewhat to his own surprise, he found himself ascend-Between the dance-tunes, between

come. But somewhat to his own surprise, he found himself ascending in the elevator of her apart-ment-house, at five o'clock on Wednesday. She was, after all, as close as he could come to hearing of

was able to taik to her or Denise at last, certain of her understanding. There was a night of bright moon-light that cast deep shadows. The palm tree in her garden stirred in the night breeze softly. The harbor below was silver and deep dark, a That day she had thought out her words. She told him coolly that he was weak, changeable; but she took substance between water and fluid light. He and she were two light

voices, two shadowy outlines in long chairs. Her voice said; "We are shadows,

or all the world beyond us is a shadow world. The edges of reality blur. I am no more than a trangull shadow for this minute, while I don't move to see if there's anything

ner of her pretty mouth. "Dance with me, Keith. As I remember, you dance superbly."
As they started to dance, he said: "Don't treat me like a gigolo, Felician discovered that explore in them. Felicia discovered that she looked forward to seeing him rather specially, on her way back from ten days in New Mexico in February. (Of which the last nine days had been long.) She worried very little a dream—he remembered, but he wouldn't say so!
Back at their table an idea came to him: "Felicia, how much did you have to do with Denise's marriage?"
"Ag reat deal."
"Why did you?"
He thought definitely that he had never hated anyone so much in his sleeve.
"Why did you?"
He took murderous. I wanted Denise to he always and on his sleeve.
"Don't look murderous. I wanted Denise to he always arge. Site on the sleeve." Don't look murderous. I wanted to be down the sleeve. "Don't look murderous. I wanted to be always arge. Site on the sleeve." Don't look murderous. I wanted to be always arge. Site on the sleeve." Don't look murderous. I wanted be always arge. Site on the sleeve." Don't look murderous. I wanted be always arge. Site on the sleeve." Don't look murderous. I wanted be always arge. Site on the sleeve was some to the head anyone so much in his sleeve." Don't look murderous. I wanted be always arge arge the slow." The was arge on the the said. "..."

He said: "You and I remain." She lifted her face, which was very pale in the moonlight, when he put his arms round her. She kissed him twice. Her voice was calm as

"Of something or other." "You sound unflatteringly cheer-

"You are fun, you know." "You too."

thin ice."

"Very seldom, or practically all the time. Does it occur to you we're

being very adult. I begin to have

great respect for us." "That'll be a novelty. Kiss me good-night, briefly, and go home." "No, I couldn't-briefly. I'll go home without, if you don't mind." "But I do mind."

He remembered, too, that first time they danced at the Savoy. They both laughed. He kissed her and

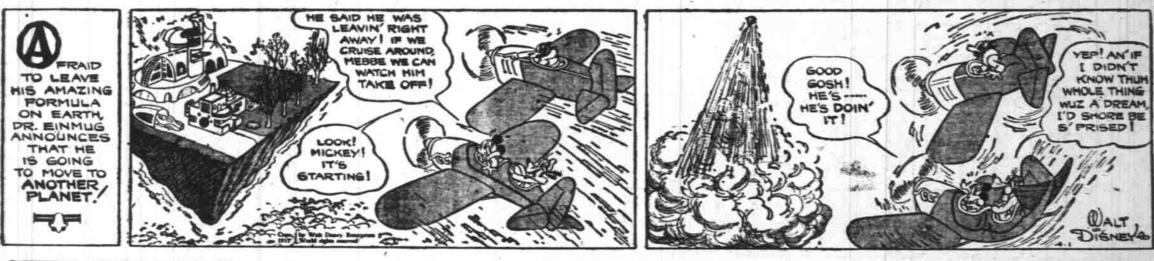

the harbor. Felicia had sublet a cottage. The house which Keith's father liked best was no more than three min-The "very thin ice" held surpris-ingly, through February and through March in the North.
