

Governor Martin Lauds Hospital Erection Sans Federal Aid

Not Candidate Again, States

Cracks at Sit-Down Strikes; Dedication Attended By 2000 Folks

SILVERTON, April 12.—In a month that has been conspicuous for its wet weather, rain ceased Sunday afternoon and the sun shone continuously on the 2000 persons who gathered to hear Governor Charles Martin dedicate Silverton's new community hospital.

In speaking of Jerome Morley, whose legacy, plus donations of other citizens made possible the hospital construction without government aid, Governor Martin said:

"Mr. Morley, a pioneer of the Silverton country, was born here January 15, 1855, and died February 2, 1926. He spent practically his entire life among you. He represented that fine type of American citizen who made his own way through life and did not expect to live off the government. Oregon was founded by people of the same independent and hardy stock."

Governor Martin stressed the point that the new Silverton hospital was built "at no cost to the government."

Praises Enterprise "I honor people of Silverton," he said, "for fine public spirited leadership in planning and working so many months on this community enterprise which is unlike many other hospitals built in recent months throughout the United States in that it has been erected without one cent of federal funds and solely as the result of the initiative and public spirited activity of citizens of this community."

"Today," he continued, "the most appalling thing to me is the constant tendency of citizens in distress to turn to the government for aid."

Criticizes Sit-Downs The governor said he had no use for "pussy-footers" be they politicians or doctors.

"Pussyfoot politicians need not become alarmed," he added. "I am not a candidate for governorship of Oregon. But I will be governor of Oregon and all the people of Oregon until my term expires."

He referred to sit-down strikes as "outrageous and rank lawlessness." He said: "I know of one governor of a state who can and will get rid of sit-down strikes. I stand for law and order, and I am not going to have any outside pink professor come in and tell us how to run our state." He admitted he referred to Dr. Towne Nylander, trial examiner of the federal labor relations board, who he criticized recently in the Oregon Worsted mill case.

In closing, Governor Martin said: "I congratulate you on affording to other communities in this state and nation a fine lesson in community planning activity. I feel it particularly appropriate that this new hospital should be located on the site of the former home of H. D. and Rebecca Mount, a pioneer couple who through themselves and their distinguished children have contributed so much to the lives of this community and of Oregon."

Others Make Speeches George Steelhammer, chairman of the board, introduced the speakers. Rev. J. M. Jensen, pastor of Immanuel Lutheran church, gave the invocation. Mayor W. H. Moffett of Silverton welcomed the visitors. Other speakers included Mayor Frank Berthold of Mt. Angel, Mayor L. S. Finesth of Dallas, K. O. Road and John Schneider of Portland, Father Alcun of Mt. Angel, Dr. Guy Mount of Oregon City, Miss Ruth Rue, superintendent of the Silverton hospital, and Milton Meyer, chairman of the Salem general hospital board.

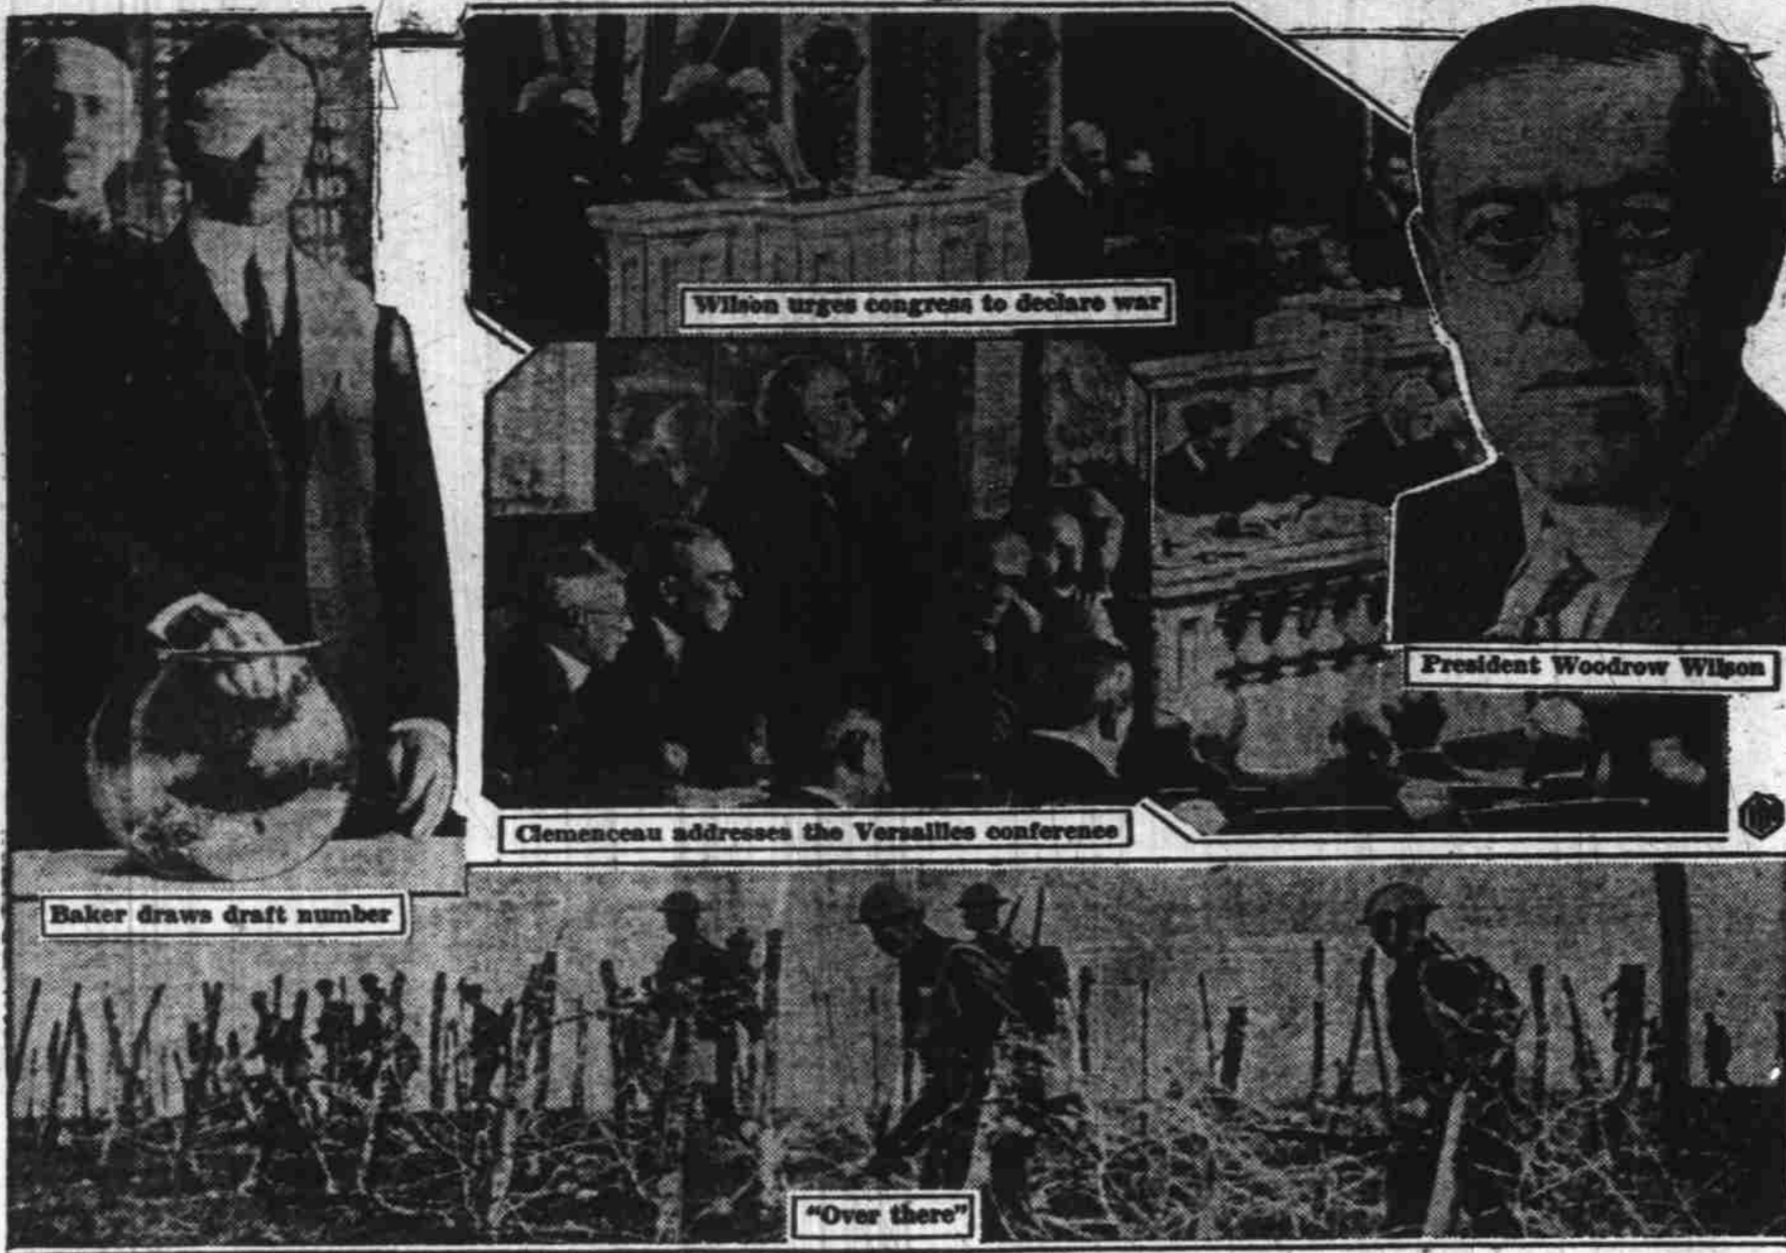

Flowers, sent by friends and business associates, were everywhere in the new hospital. Nurses sponsored a waffle supper in the new kitchen, the proceeds of which will go toward furnishings for the new nurses' home, the former home of Mr. and Mrs. H. D. Mount.

Assisting about the hospital in receiving and showing the guests about and in serving, were Mrs. C. W. Keene, Mrs. P. A. Loar, Mrs. R. E. Kleinsorge, Miss Ruth Rue, Miss Fern Pederson, Mrs. LuReba Gordon, Mrs. M. C. Over there

These historic scenes of 20 years ago recall turbulent events which led up to and followed United States entry into the World war on April 6, 1917. It was on April 2 that President Woodrow Wilson made his momentous speech to congress urging declaration of war on Germany. Within six months there was an army of nearly 4,000,000 men mobilized, many of them conscripted by the draft for which Newton D. Baker, secretary of war, drew the numbers. Although hopes ran high for a lasting peace when Georges Clemenceau, French premier at the time, rose to address the Versailles conference, war clouds are again gathering on the world horizon.

Most of the charter members were present at the celebration. These and the present officers occupied the first pews. After the mass the entire gathering renewed the act of consecration in the evening in the auditorium.

Six Cottages Planned At Lebanon; Rains Are Injurious to Berries

LEBANON, April 12.—H. H. Harpater, recently of Colorado, has bought an acre of land on South Main street from L. E. Arnold and will place six cottages, factory cut and shipped from Portland, on the land for rental.

PROMINENT SALEM MAN PRAISES VAN-TAGE! GAS PAIN, BLOAT RELIEVED!

Mr. Crosby, of No. 23rd St., Suffered Years With Upset Stomach, Gas, Bloat, Pains in Stomach, No Appetite, Awful Belching, Constipation, Nervousness, Couldn't Sleep. Now He Praises Van-Tage for Relief It Gave Him and Says "I Unhesitatingly Recommend It to Everyone Who Suffers Like I Did."

MR. JAMES ERWIN CROSBY, of 23rd St., Salem, Who Says: "VAN-TAGE is Really a Great Medicine and I Hope My statement Will Cause Many Others Who Suffer Like I Did to Take It and Get the Same Wonderful Relief."

Remarkable Statements—from many parts of this city and general section—praising and endorsing VAN-TAGE, continue to pour in daily to 170 N. Liberty Street, Salem, where this "Amazing Mixture of Nature's Roots and Herbs and Other Splendid Medicinal Agents" is being introduced and explained to the local public by a Special Van-Tage Representative, known as The VAN-TAGE Man.

For instance, just a few days ago the following Remarkable Statement, describing what Van-Tage can do in certain forms of suffering, was received from Mr. James Erwin Crosby, of 23rd St., Salem, Mr. Crosby is a Plumber's Assistant and has lived in Oregon for years. He has many friends throughout this city and vicinity, and what he has to say about Van-Tage will be read with Real Interest. His Amazing Testimonial follows.

In Misery With Gas, Bloat and Awful Belching! "For several years I had been suffering terribly," said Mr. Crosby. "My stomach was in a very bad condition and I couldn't eat a thing without being in awful misery afterward with gas and bloating. I had no appetite whatsoever, for nothing tasted good to me, but of course, I had to eat something now and then to keep up my strength, but after I ate, I had such excruciating pains all across my stomach that I could hardly stand them! My stomach was so upset that I had sickening belching attacks and a hot, sour, burning substance came up into my throat and mouth which almost gagged me. My bowels were terribly sluggish and constipated and did not dispose of the waste matter in my system like they should, and finally this combination of ailments got me into such a worn-out, nervous state that I could not sleep when I went to bed at night and then when I got up in the morning I felt tired and exhausted all day. I tried a lot of medicines to try to relieve my suffering, but none of them helped me a bit and I was so sick and discouraged that I wondered if I would EVER find anything to relieve me.

Van-Tage Relieved His Years of Suffering! "Finally I started taking Van-Tage and after all it has done for me, I don't hesitate to REC-

COMMEND IT TO ALL who suffer like I did. It cleansed my upset stomach and I can eat anything I want now and it all agrees with me perfectly and I don't have those awful sickening belching attacks. Those terrible pains across my stomach do not torture me after I eat a meal and the sluggish, constipated condition of my bowels is a thing of the past. Since my system has been so cleansed and invigorated by Van-Tage, my nervous feeling has been relieved and I can go to bed and really get a good night's sleep like a person should, and then get up in the morning feeling fine and refreshed. Van-Tage is REALLY A GREAT MEDICINE and I hope this true, sincere statement of mine will cause many other poor suffering people to take it and find the same wonderful relief that I did."

21 Great Natural Herbs in the Van-Tage VAN-TAGE contains 21 Herbs and nearly a dozen other Splendid ingredients. So this compound acts and acts as a carminative, laxative, cholagogue and diuretic, thus cleansing bowels, bringing forth gas and bloat from stomach, and invigorating sluggish liver and kidney activity. Daily, miserable people write to me, they feel different all over as a result of the cleansing and invigorating action of Van-Tage. Another thing—due to the immense volume in which Reasonable. So, if you suffer as described herein, don't hesitate. Get Van-Tage—TODAY!

A Special Van-Tage Representative, known as The VAN-TAGE Man, is now at 170 N. Liberty Street, Salem, daily meeting crowds of people and introducing and explaining this Remarkable Compound.
