VAN-TAGE RELIEVED MY SLUGGISH KIDNEYS! NOW I DON'T GET UP AT NIGHT!

Mr. Martin, Prominent Local Resident of South Winter St., Can Go to Bed and Sleep All Night Without Being Disturbed, Since He Took Van-Tage. Had Suffered 9 Years With Sluggish Kidneys, Irritated Bladder and Night Rising. "Now I Feel Fine," He Says.

MR. ROBERT T. MARTIN, of 185 South Winter St., Salem, Whose Amazing Testimonial, Telling of His Experience with VAN-TAGE Appears Below. "This Medicine is the Right Thing For Me!," He Says.

"Oh, How my sluggish kidneys hurt me! The horrible backache, the sharp pains, the awful stiffness and soreness. And all night long I was up, down, up, down, due to my sluggish-acting kidneys. I couldn't get my proper sleep. I felt worn out and exhausted. But now, Van-Tage has helped Nature flush the excess acidity from my kidneys and bladder. Now I can go to bed AND SLEEP. My backache, stiffness and soreness are greatly relieved. I certainly feel grateful to Van-Tage. That is what men and women all over Salem and vicinity are saying about the "Mixture of Nature's Roots and Herbs and Other Splendid Medicinal Agents," known as VAN-TAGE, which is now being introduced to crowds daily in this city at 170 N. Liberty St., by a Special Van-Tage Representative, known as The VAN-TAGE Man. For instance, read the following Remarkable Statement about Van-Tage which we have just received from Mr. Robert T. Martin, of 185 South Winter St., Salem. Mr. Martin is a former resident of Sheridan, Wyoming, and although he has lived in this city only a short time, he has many friends and acquaintances here. Read what Mr. Martin has to say about Van-Tage. His Amazing Testimonial follows.

His Sleep Was Broken by Sluggish Kidneys

"The first thing I want to say in this statement of mine, is that my endorsement of Van-Tage is absolutely unsolicited, and I truly believe that if others who suffer like I do, will give this medicine a fair trial, they will be thoroughly convinced like I am that they are taking a Real Medicine," said Mr. Martin. "For the last nine years I had suffered terribly with sluggish kidneys and irritated bladder. My inactive kidneys did little to dispose of the wastes in my body properly and every night my sleep was interrupted several times by these sluggish organs demanding relief. My food did not digest right and I had sharp, cutting pains in my stomach after I ate, due to gaseous indigestion. For about three years I had been a Great Victim of constipation and my bowels were so inactive I would sometimes go 2 or 3 days without relief. I had no appetite for my food for nothing tasted good to me and I got so nervous I ate, did to gaseous indigestion. I slept at night. Of course I did everything I knew of to try to get some relief, but nothing helped me a bit.

Now Mr. Martin Tells of Relief Van-Tage Gave

"Finally I found Van-Tage. Have taken this Wonderful Medicine only ONE WEEK, and am convinced that it is the right thing for me. It cleansed and invigorated my sluggish-acting kidneys and bladder and they now do their work like they should and I can go to bed and sleep the whole night through without being disturbed by those organs. My appetite is fine now and everything tastes good to me and I know I am getting the nourishment out of my food, for I have gained three pounds in weight in just this one week. It also invigorated my constipated bowels and cleansed my upset stomach and I don't have those awful sharp, sudden pains after I eat. Van-Tage is Truly a Wonderful Medicine, and I am glad to recommend it to all others who suffer like I did."

It Helps to Clean Away The Poisonous Wastes

VAN-TAGE helps to clear away poisonous wastes from the system in several ways at once, that is, it acts as a carminative, laxative, cholagogue and diuretic, all at the same time and helps cleanse bowels, assist Nature to flush excess impurity from kidneys, brings forth gas and bloat from stomach and stimulates the flow of liver bile. Many people write us they soon feel like different men and women as a result of this cleansing and invigorating action of Van-Tage. Another thing—due to the immense volume in which it sells, the Price of Van-Tage is Reasonable. So, don't hesitate. Get VAN-TAGE—TODAY! A Special Van-Tage Representative, known as The VAN-TAGE Man, is now at 170 North Liberty St., Salem, daily meeting crowds of people and introducing and explaining this Remarkable Compound.
