"But if I paid cash for it, I couldn't return it after the Prom!"

We couldn't part with a "breefer" on any account. Besides their effect of cocky casualness, their uses are innumerable. This one's quite swagger indeed, of downy wool, saddle-stitched and buttonless. Besides being half of a stunning suit, the coat on the right doubles superbly in the breefer's roles as a summer topper.-Ultra-smart in tweeds and homespun mixtures, especially in nubby weaves like this one.
