They're Crazy -- Nuts --

to sell all us cars at a discount of from 10% to 30% off from the advertised price just because we're over 60 days old.

Why, most of us are good for years yet, however, if these "foolish" people are really serious—there isn't a thing we can do but tell you about ourselves and trust to luck-some nice men or women will take us to live with them. We'll promise to be nice and serve you to your entire satisfaction. What we can't understand is why did these "nuts" spend

so much money on us-why, there is hardly one of us that escaped their "clinic" and most of us had to go to the "operating rooms" for something or other and about the last thing they did to all of us-was to see that we all have good shoes-and, Boy! they sure did spend the "dough" to make us look good.

We still say they're "crazy" but that's neither-here nor there.

Here's Just a Small Delegation--

I'm a 1928 DODGE Victory Sedan. I'm in good condition and my shape is not bad either! I'll get you there and get you back alright—

Wait until you see Me. I come from an awfully good tribe of Indians, called "Pontiac." I'm what they call a 1929 Cabriolet, all I ask is a trial. I'll give you a surprise. They are offering me way below what I'm worth—\$175. Ugh, not nuff!

I May not be as Classy as my older sister, the one they call '29 Cabriolet, but I'm a Sedan and can carry more people around.—I'm just a little more—\$245—and I'm a '30 Pont. Sedan.

Boy! I'm a smart little number. Born 1952, member of Ford V-8 family. I'm a coupe—Just what you want too.—They only want \$275

into anything-any time-anywhere-we're just plenty "tough."

Signed Committee on Passenger cars.

ly feel I'm worth more than a lot of the cheap, common run of cars. Say, I'm proud.—I look good and I run fine.—Only \$545 for me!

Say, we may not be God's Gift to the Women, but we'll string along with any of you guys that want to get a tough job done. Here are a few of us that'll tie

BOY. Braddock and Lewis may think they're Tough, should tie into me. I'm a 1939 Fa-geol 2-ton truck—with New pis-tons, pins, rings. I've gone clear thru their Clinic and do I feel good.

I'M A 1929 DODGE 8-ton Truck, I know I don't look so hot, but bro-ther, I'm Tough! I don't know what they'll take for me—come on down, I've got a hunch Im going to be Slaughtered!

I'M a 1931 DODGE 3-ton 188-in.
W. B. Truck, and I'm a truck too,
brother. Don't ever think I'm not,
I'm a tough humbry, and can take
it as well as give it—and I'm in
just plenty good shape. The price
only \$375—You'd think from the
price that I'm just a curtain raiser,

Say, Mr.! Just because I make a little more noise when getting warmed up is no sign that I'll not be right in there doing my stuff. All of us '29 Chev. Coaches are just plenty good and get this—\$185.

If Mae West was here—she would say "Come up and see me sometime."

To you we say: "Mae West is not any more 'alluring' or 'attractive' than we are." . . . Our message to you is: - "Come and see us now - if we have to gowe want to go-and, no fooling."
