## Hendrie Salem Golf Champion

### Final Has Thrills; Awards to Be Given Tonight at Grove Near Course

Don Hendrie became Salem's city golf champion Sunday when he defeated Glen Lengren 4 and 2 after a 35-hole battle in which Lengren, behind all the way, kept coming back and crowded his opponent to the limit to maintain a lead.

The Cliff Parker trophy will be awarded to Hendrie and prizes will be presented to the other three winners at a star luncheon in the picnic grove at the Salem Golf club course tonight, with the Active club, which sponsored the tournament, in charge. All golfers are invited. The presentations will be made about 7:30 o'clock.

Hendrie and Lengren both started in somewhat shaky fashion though they did not, as was rumored, "whiff" their first shots. Hendrie quickly settled down to steady shooting at close to par while Lengren was bothered by a tendency to hook his wood shots through much of the morning.

Howler's shot, however, gained a four-hole advantage on the first nine, they played virtually even, Lengren recovering with an eagle on the 14th where Hendrie in trying to negotiate a styptic knocked Lengren's ball in and on the 16th where Lengren drove the green and sank a birdie.

Comeback Staged  
Three up when they started the afternoon round, Hendrie won with a birdie on the first and he took the third and fourth to make his lead six up. Lengren started his comeback from that point, winning the fifth and taking the ninth when he exploded accurately out of a trap and one-putted for a birdie.

The gallery, small during the forenoon because of the inclement weather, swelled to considerable proportions for the final nine and the galleries were smart, for the dynamite of the match was reserved for the wind-up.

Four down and about to lose on the 11th, Lengren pulled as spectacular a shot as the city tournament has witnessed since Bob Taylor bagged a hole-in-one two years ago. Over with his second shot and 75 yards from the pin, all but stunned by a half putt, Lengren rolled a hole-in-one two years ago.

More Miracle Shots  
After Hendrie had negotiated a difficult semi-styptic for a half putt, Lengren rolled a hole-in-one on the 13th and was in favored position in front of him. Gambling with a spoon, he sliced a shot through the trees, striking only one leaf, and was only 50 yards from the green; he scrambled in to within two feet from the cup and then putted past another tough semi-styptic for the birdie that virtually clinched the match.

It ended on the 16th where Lengren, needing a win to stay in the match, shaved the trees too close and dropped into trouble. Finals in the other flights were:

First—Previously won by Stacey.  
Second—Dr. Miller beat Bonesteel, 1 up.  
Third—Dr. Bates beat Starr, 3 and 2.  
Fourth—Kittmiller beat McCrary, 4 and 3.  
Fifth—King beat Kjetzing, 1 up.

Sixth—Donnelly beat Porter on 19th.  
Seventh—E. Smith beat Mickelson, 4 and 3.  
Eighth—Merchant beat Malson, 3 and 2.  
Ninth—Drynan beat C. Cook, 2 up.  
Tenth—Alley beat Bertelson, 1 up.  
Eleventh—Won by Schoettler.  
Twelfth—Won by J. B. Ulrich.  
Junior championship—Comstock beat F. Nickolls, 1 up.

## Riddle of the Sphinx

By BURNLEY

PROSPERITY MAY HAVE KILLED JOE'S RING FEROCITY.

AS enigmatic as ever, the inscrutable Joe Louis is going through the training motions for the big chance of his fistic lifetime—a shot at the heavyweight championship.

To the sleepy-eyed sleep producer this Braddock bout is just another fight. Jolting Joe has been in rather poor condition for his last few bouts, and his handlers were so alarmed that they called off an exhibition tour after his miserable showing with Bob Pastor. It is squarely up to Jack Blackburn and

the other Louis mentors to rouse the old fury in their well-fed, over-prosperous challenger.

Challengers should be flaming with ambition, and it looks as if the Brown Bomber is all too satisfied with his present wealth to worry greatly over winning the title. Schmeling's devastating right also did something to the Louis ambition. Since that fight, Joe has lost interest in boxing skill, and has become purely and simply a slugger. He can still punch with deadly effect, but his snake-like jab has gone

## Baseball School Shifts to Forenoon Today and Large Group Is Expected; Duties in Each Position Are Taught

HOWARD Maple, head coach of the Statesman-Legion baseball school, opened instruction of his group of eager young students of the national sport on Olinger field yesterday afternoon.

Maple devoted most of the first day's session to explanation of the manner in which each position should be played and then gave instruction in bunting to all of the boys attending the school.

Further individual work on positions will be given when the school meets for its second day of instruction at 10 o'clock this morning. All subsequent sessions of the school will be held from 10 to 12 every morning except Sundays.

An increased number of youngsters is expected for this morning's session as many were forced to stay away from yesterday's afternoon opener because of paper routes and other afternoon jobs.

## Moran and McDougall Are Conspiring Villains Against McGuire and Black Panther; Sailor Has Past Experience

Matched in one of those most blood-curdling of wrestling exhibitions—the team match—Sailor Moran and his buddy Scotty McDougall will attempt to prove to Mickey McGuire and his clean-cut colleague, the Black Panther, that might makes right in the big attraction of tonight's wrestling show at the armory.

Moran, the slaughtering sailor, is an old hand at team matches and appeared here with Noel Franklin in one but the other three are novices at the two vs. two game.

## Radio and Quelle Take Tight Games

Errors Figure in Both of Outcomes in Makeup League Battles

Two errors and a pair of passed balls broke up a tight softball game last night as Square Deal Radio defeated Wait's 4 to 3 in eight innings.

Kitchen's error, two passed balls and a wild throw by Catcher Kelly allowed the winning Squared Deal run to cross the plate. Phil Salstrom hit a home run for Wait's.

The Quelle, which has been wondering why it was left out of the summer league, went into fourth place in the spring standings as it defeated the Man's Shop 4 to 3.

## Predicts Closer Coast Grid Race

PORTLAND, June 7.—(AP)—Stub Allison, University of California football mentor, today predicted a more closely contested race in the coming Pacific Coast grid season.

He reasoned like this: The Bears, long a backward member of the Coast conference, have "arrived" and Southern California will come out of its slump just about the time of the 1937 kickoff. Tiny Thornhill has another powerful team to replace his "Vow Boys" of Bobby Grayson's days, Allison says.

The Bear coach hadn't much to say for his own team, but predicted Oregon State would be 50 per cent stronger. He couldn't understand why Frank Callison's Webfoots lost so many games last season and will be surprised if they lose half as many this year.

## Albany Wins Tourney

LEBANON, June 7.—(AP)—Albany high school won the Linn county baseball championship, defeating Harrisburg, 21 to 11, in the tournament finals.

WOODBURN, June 7.—(Special)—After chasing all the way to Sweet Home and back in search of a ball game the Woodburn Townies found one Sunday only to lose to Sweet Home 6 to 4 for their third consecutive state league loss.

It was the first league win in four starts for Sweet Home which jumped on Townie errors to give Bill Anton a loss in his first state league pitching start. Anton, Willamette university sophomore hurler, gave up only seven hits but had erratic support.

Woodburn's round trip to Sweet Home was the result of a misunderstanding. Woodburn had requested a change in the scheduling to avoid a later conflict with American Legion junior baseball finals, but on receiving no answer from Sweet Home took it as a refusal. The two clubs unwittingly passed on the road.

Bend and Toledo remained undefeated and Silverton climbed into third place in other state league contests. Bend defeated Hills Creek 11 to 8. Toledo dropped the Eugene Drakes 4 to 1 and Silverton defeated Reedsport 15 to 4.

SILVERTON, June 7.—Silverton won an easy victory over Reedsport with a 15 to 4 score here yesterday before the largest crowd ever to witness an athletic event at Silverton. Over 1000 were out.

Don Burch pitched until the eighth inning when he walked two men in succession and Gastineau was put in to finish. Reedsport got but four hits off the Silverton pitchers while Silverton coined 13.

Silverton made its first score in the opening inning, scoring again with three runs in the fourth. Reedsport scored first in the fifth making two runs. Reedsport's eight errors were costly against Silverton's one.

## St. Paul Beats Aurora

AURORA, June 7.—The ball game played here Sunday by St. Paul and Aurora ended with a score of 8 to 5 in favor of St. Paul. This was the last league game of the season.

## Vaulters Assured Of "Room at Top"

BERKELEY, Calif., June 7.—(AP)—Southern California's two pole vaulting marvels, Bill Sefton and Earle Meadows, will not be handicapped by short standards when they compete in the national collegiate A. A. championships here June 18 and 19.

They set a new unofficial world's record of 14 feet 11 inches last Saturday in Los Angeles but couldn't go any higher because the standards ended there.

Brutus Hamilton, University of California coach, said today: "Sefton and Meadows won't have any trouble here. Our standards are 15 feet 3 inches now and we are going to increase them three inches before the meet."
