Team Meeting Wait's Won 30 of 33 Last Year; 20-30 Is Sponsor

Softball experts of Salem will get a chance to look over a professional softball team when the barnstorming Red Devils from Los Angeles meet Wait's, leading spring league club, on Sweetland field Friday night in the first lighted softball performance of

The Papermakers and the Man's Shop of the Salem league will put on the opener, an event which will also be the closing contest of the spring league season.

Winner in 30 out of 33 games played last year the Red Devils, brought here by the 20-30 club, claim to be at least the second best softball team in the country. This claim is based on the fact that it took the national champions, the Rochester, N. Y., team, to beat them in the national tournament last year. Calls in Gardeners

The Red Devils, as amateurs last year the Imperial Valley Merchants, carry five pitchers on their barnstorming jaunt. Their ace performer in the hurling department is King Kong Kelly, a pitcher who is said to have the fastest ball in the country. Kelly, who in 12 years of softball pitching has turned in 22 no-hit games, delights, according to the Red Devils, in calling in his outfield and allowing his infield to sit down while he finishes the game with only the services of a catcher.

Other hurlers on the Red Devil staff are "Schoolboy" Rock, a southern boy who kist year fanned 25 out of 27 in one game, "Chick" Saunders, a curve ball pitcher, and

Wins Hostile Crowd With 3-Hit Hurling; Great **Hubbell Is Victim**

By EDDIE BRIETZ

NEW YORK, June 9 .- (AP)-Dizby Dean stood out there before a hostile throng of 55,577 fans today and turned in one of the best pitched games of his spectacular major league career to pin back the ears of the Giants and Carl Hubbell, 8 to 1, in the first game of today's doubleheader at the Polo Grounds.

Harry Danning, a pinch hitter, delivered a ninth-inning homer to enable the Giants to win the nightcap, 3 to 2, and remain in first place by a margin of just a

few points. The big crowd, which came to jeer and hoot but remained to cheer, saw the Cardinals' ace righthander narrowly miss plastering the Giants with a coat of whitewash as he mowed them down with three widely scattered hits, a double and a single by George "Kiddo" Davis and another one-ply swat by young Jimmy Ripple.

Plenty of Margin While old Diz, making his first appearance against the Giants since the riotous afternoon of May 19 in St. Louis, had the New Yorkers swinging their heads off at his high hard one, the gas house gang was getting to Hubbell for 13 safeties in the eight innings he toiled before giving way to Dick

The victory pulled Dean up to within a game of Hubbell in the series between the two. The count now stands at 5 to 4 in Hub's favor. So far this season, each has trimmed the other once.

It was no wise-cracking bad boy that tamed the Giants today, but grim, uncompromising young man who literally pitched his head off to show the Terrymen he could trim them without throwing "beanballs," the direct cause of the St. Louis rioting last month. Golfers Face 36-Hole Test

Qualifying Round Slated Sunday for 8-Man Team in Valley Tourney

The most exacting test that members of the Salem Golf club have ever faced in qualifying for a competitive event has been lined up by John Varley, club secretary, for this coming Sun-

In seeking places on the club's eight-man team to defend the Willamette Valley Golf association trophy the following Sunday at Eugene, members will be required to play 36 holes of medal golf, teeing off in threesomes lined up by the club officers. The entire 36 holes will be played Sunday and to make it conform still further to the conditions under which the valley tournament will be run off, the aspirants to team positions will "play em as they lie."

The competition is limited to paid adult members of the club. Varley announces, and members wishing to engage in the Sunday test are asked to signify their intention by Friday night, indicating at the same time their preference as to starting time.

Although the Salem club won the valley tournament by a wide margin last summer, it will face the handicap of playing away from home this year and will need the strongest team available, especially in view of the fact that several low shooters from last year's team are not Hogg's Ball Team available.
