Woodburn Ends Losing Streak

Fallin Provides Upset, Outhurs Gastineau; Bend Next Foe

STATE LEAGUE table with columns for Team, W, L, Pct.

WOODBURN, June 14—Lee Fallin, former Salem high school ballplayer, established Silverton's state league contenders and Williamette university's Jerry Gastineau as he limited the Silver Falls team to five hits and bested Gastineau in a pitching dual here Sunday.

Woodburn, breaking a three-game losing streak, won 5 to 2.

The Townies collected eight hits off Gastineau who was also troubled with erratic support.

Doane's home run over the center field fence with two on in the second inning gave Woodburn a two run lead early in the game and Silverton's scoring ended after a run in the third frame.

The Townies will meet Bend here next Sunday.

(By The Associated Press) By virtue of a 10 to 9 victory over Toledo in a ten inning game to decide a tie for league honors, Bend stood at the top of the percentage table today in the Oregon state baseball league. The game was played in a sea of mud and rain.

Reedsport defeated Sweet Home 6 to 3, in a fast game which was featured by the hitting of Goddard, Wimpy, Quinn and Adamson for the victors.

Hvam Again Wins Senior Ski Title

PORTLAND, June 14—(AP)—Hjalmar Hvam successfully defended his senior combined championship, won last year, by bucking soft snow and rain at the summer ski tourney on Mount Hood Sunday, last official event of the 1937 rose festival.

Hvam also took the Golden Rose trophy, by winning the three-mile downhill race in the slow snow with a time of 6:23.8.

Cleanies Plan Revenge Fight

Want Unemployed Mat Men Kept out; Kenna and Nichols to Clash

Mickey McGuire and the Black Panther, two wrestlers who belong to the cleanie denomination, will attempt to get hunk with a pair of meanies, Sailor Moran and Scotty McDougall, in a team match staged as the feature attraction of the American Legion wrestling show at the armory tonight.

McGuire and McDougall cleaned house on Kenna and the Panther in a similar brawl last week. McGuire and company claim that interference by other wrestlers, mostly adherents of the Moran-McDougall cause, ruined their chances. They have asked for police protection at the ring-side tonight in order to keep the unemployed grapplers out of the mixup, which is bad enough with only four involved.

Freddy Nichols, a newcomer, and Willie Kenna, former Oregon State griddler, will meet in a one hour event.

Victor and Cline Tie for Medalist; Scores not Exceptional Here

Members of the Salem Golf club eight-man team which will engage in the Willamette Valley Golf association medal play tournament at Eugene next Sunday will have to put in several more days this week practicing the art of whacking a golf ball from a firm nesting place down in the turf if they expect to retain the trophy they won a year ago, scores turned in during the 36-hole qualifying test Sunday indicated.

Bert Victor and Walter Cline, Jr., who tied at 148 for medalist, were four over par and the scores of the first eight ranged from there upward to 159.

Three men tied at 160 and if any one of the top eight is unable to compete at Eugene, one of these three will be chosen. The 36-hole scores were:

Babe Loses Medal To Ohio Champion

CHICAGO, June 14—(AP)—Mrs. Burt Weil of Cincinnati, who has monopolized the Ohio state championship for the last three years, bowed herself into the women's western open golf tournament by rattling off a par-cracking 39-39-78 for medal honors today at the Beverly country club.

Mrs. Weil's round knocked one stroke off women's par for the exacting championship course, and stole the medal from Mildred "Babe" Dirdrickson, the "business woman" golfer from Beaumont, Tex. The Babe came in early with a net 42-38-80.

LONDON, June 14—(AP)—Willie Woodard's Omaha, great five-year-old son of Gallant Fox, apparently has run his last race. SPORT PAPERS BY PAUL HAUSER

It is more and more a pity that Lee Fallin was ineligible to pitch for Salem high this past spring. His feat yesterday in limiting the slugger Silverton team to five blows in his first State league start is something that a veteran, let alone a rookie, could brag about. Fallin, who has been throwing since he could talk, is a natural. He has a fast ball that zips across the plate in a hurry. He pitched one game this spring for Salem high at the tail end of the season against the Oregon State rooks. They beat him badly for he hadn't pitched at all but they said his fast one was the fastest they had seen all season.

Sounds Swell

Down among the notes about the Western International league in last week's "Sporting News," official newspaper of organized baseball, is an item which says that rumors spreading around the circuit are that Salem, Oregon, will seek a franchise next year. That is pleasant news and we wish it would come true. Salem could easily be a member of the Western International league if it only had a ball park. "Frisco" Edwards, who here several weeks ago, intimated that certain big league club would be willing to furnish backing for a team here.

School

The Statesman-Legion baseball school entered its second week today. Howard Maple has been busy intensively drilling baseball into the heads and hands of the crew of young baseballers. By now the instruction is practically all in regular games and that is the way, Howard says, that baseball is really learned. You have to do it to learn it. The school will end at the close of this week but kid baseball will be carried on throughout the summer in a playground league. Teams will be selected this week from the personnel of the baseball school to compete in the playground league.
