

Big Bean Pack Seen, Silverton

Estimate of Month ago Will Be Tripled, Is New Probability

SILVERTON—Over three times the estimated tonnage of beans of a month ago will be canned by the Silverton canning company this summer, according to reports made this week, bringing the total up to approximately 500 tons.

The Silverton canning company is under contract to pack and sell Lake Producers' corporation of the bean tonnage for the Blue Stayton.

New bean machinery valued at \$25,000 has been installed at the uptown plant of the tea canning company. The machinery includes two graders, three pre-graders; three regraders, five deluxe snippers; one filler; two exhaust boxes; two retorts and two cutters.

Workers recently completed setting the 175-ton fire-box boiler. The main operation of the bean canning will begin the first of the month.

Sale of the Heater home at the corner of Madison and Cowing streets to Mr. and Mrs. R. E. Luckey was reported this week through J. C. Morley. The house is now occupied by Mrs. Jaunita Sinclair.
