Mrs. Watson was fatally injured about 6 o'clock Monday evening as she crossed the highway a mile south of Albany. She stepped in front of an auto driven by Roy N. Dignity in Board Sessions Desired

PORTLAND, Aug. 12.—(AP)—Roy F. Shields, chairman of the Portland school board, in a letter to members, sought peace and dignity in board meetings in some of which, he said, the tone of discussion was "below that expected of a town council in a big town."

"We ought to realize that we cannot hope to receive the respect and confidence of the public when

we do not show it to each other," he wrote. "Anyone fit to fill a place on a board of education in a city like this ought to be able to oppose the views of another without publicly impugning his motives or questioning his integrity."

He urged that henceforth the board follow rules of "good manners and parliamentary usage."
