DRUGGIST WILL SELL MEDICINE 4 DAYS AT 25c

Fred Meyer Toiletery & Remedy Shop Surprises Public; Preparations Made for Large Crowds

It sounds almost unbelievable -yet it is true-that for 25c you can obtain a Trial Bottle of a Medicine that has become famous, the full price of which is \$1.25. Indeed, it seems impos-sible, but the Fred Meyer Toiletry Shop at 170 N. Liberty is actually making this offer for four days. Anyone with a coupon from The Statesman may purchase, with 25c, tomorrow, Thursday, Friday or Saturday this week.

Why Offer Is Made

People become discouraged with a medicine that does not help them, so we feel it is only fair that sufferers should have a chance to try the medicine first for 25c, and if it helps them, we believe they will gladly pay the full price for future purchases.

What It Is

The medicine referred to is not formula containing 30 Ingredients, and not one a habit-forming drug. It is known as Van-Tage and is taken after meals so it mixes with the sufferer's food, thus bringing relief in cases of misery, so common among suffering people today, described be-

STOMACH: Van - Tage brings forth awful gas and bloat from stomach and intestines, giving Blessed Relief from Bloat Pres-sure and Gas Pain in Stomach and Chest; improving Appetite and Digestion.

BOWELS: It acts on Bowels as Laxative and helps clear out old, decayed food waste, relieving headaches, coated tongue, bad taste, skin eruptions and foul breath, caused by inactive, clogged bowel organs.

KIDNEYS: Van-Tage acts as a Splendid Diuretic to Sluggish Kidneys, thereby helping Nature flush out the impurities from kidneys and bladder which cause backache, sharp pains, flery irritated bladder and broken sleep from night rising. LIVER: It stimulates Liver

Bile Flow, relieving biliousness, worn-out feeling and sick headache, caused thereby,

RHEUMATIC PAIN: Van-Tage relieves the awful pain of rheumatic and neuritic trouble, when due to poisonous accumulations in Bowels and Stomach; helps avoid the forming of toxic pol-sons in kidneys and blood-stream.

Now, whether Van-Tage will alp you as it has thousands of others - whether it will relieve your suffering in a day or a week -remains to be seen. But in light of what it has done for others. t is surely a mistake not to try it for 25c, a fraction of its actual value.
