# Giants Retrieve Lead Position as Dodgers Sneak Up on Chicago

## Wallop Cards By 7-3 Count

Ott Hits 29th Homer, Goes Ahead of Medwick for Circuit Clout Title

NEW YORK, Sept. 1-(AP)-The New York Giants bounced back into first place today in the red hot national league pennant race. They walloped the St. Louis Cardinals, 7 to 3, while the Chicago Cubs were taking a licking over in Brooklyn and regained the pace making position, by the slender margin of two percentage points. Actually the top two clubs are

all even, on a basis of results. Hal Schumacher scattered the Cardinais' nine hits, exhibited superb control, and would have held the visitors scoreless in the last eight frames, but for a muff by Joe Moore, which paved the way for the third St. Louis run.

The Giants landed heavily on Lon Warneke from the start; took the lead with a three run attack in the third and knocked out the star righthander with another uprising in the fourth. Warneke, who stopped a hot shot from Jimmy Ripple's bat with his ribs in the third inning, was banged in the right thigh by another drive by the same batsman. Lon was painfully hurt and limped to the club house.

Dick Bartell, as well as Ripple, were on base, with one out, when Mel Ott popped the first pitch delivered by Warneke's successor, Mike Ryba, against the upper right field deck for a home run. Ott's 29th circuit clout, besides clinching the game, gave him a one point lead over his Cardinal rival, Joe Medwick, in the race for national league honors.

Bartell, who paced the Giants' attack with four straight hits. drove Whitehead home with the final New York run in the fifth chucker. Hank Leiber shared the cleanup honors with Ott by singling with the bases full in the third inning. St. Louis ..... 3 9

## O'Grady Says League Baseball Pro Gridders Defeated 6-0

Collegians Score Single Touchdown Early, Then Defend Strongly

CHICAGO, Sept. 1-(AP)-Slinging Sammy Baugh, gridiron hero from Texas Christian university, flung America's collegian all-stars to a 6 to 0 victory over the professional champions, the Green Bay Packers, tonight. First Time in 4 Years

It was the first time since the series was started four years ago that the collegians had triumphed over their professional rivals.

The game, played in sticky, hot weather, in flood lighted Soldier field after a day of intermittent showers, attracted a record breaking crowd of 84,560 sweltering. coatless spectators. Few, if any, football games to be played anywhere in the nation this fall will be witnessed by a larger crowd. Baugh, rated as America's No. 1 forward passer during the 1936

season, hurled a 20-yard pass that enabled Gaynell Tinsley, star of Louisiana State, to gallop 28 yards in the opening period for a touchdown. That quick thrust enabled the collegians to score the only points of the game, and thereafter they played a remarkable defensive combat, turning back three drives that the desperate Packers had launched.

The Packers were striving with all their power to conquer the collegians as the Chicago Bears had done in 1935. The Detroit Lions were held to a 7-7 tie last year. The first game of the series played in 1934 was a scoreless tie between the Chicago Bears and the collegians of that day.

Ambers Wins Decision WASHINGTON, Sept. 1 - (AP) -Lightweight Champion Lou Ambers of Herkimer, N. Y., outpointed Howard Scott of Washington, in a ten round non-title fight

135 1/2, and Scott 138.

Never a dark cloud without a silver lining but the Salem sqft-ball association's dark cloud turns out to be practically diamond studded. Here all season the SSA has been crying about how cold the nights have been and how people have been staying home instead of bringing their dimes to the softball park. So everybody naturally concludes that all is not well in the cash register department of the SSA and that the profits of yesteryear are sunk without a trace. But comes now Gurnee Flesher and blushingly reveals that the softball league not only made money this year but made more money than it did last year. So everybody's happy, including Willamette university. which takes a big cut to apply on the cost of the Sweetland field grandstand.

Shuffle.

Looks like a new deal for box-ing in Salem. Jack McCarthy, the new matchmaker for the V.F.W. seems to have taken hold of the fistic problem with a full-toothed grip and given the whole deck a real shuffling. The card he has lined up for Friday night looks like the real thing and I hope it is. McCarthy is optimistic about it all and believes he will have a packed house. Ducats for the affair have been going strong for the last

Solitude.

"Spec" Keene was at home sequestered in solitude and strategems yesterday, so his secretary reported when I came to call at the mentor's lair. He is hard at work cooking up a third battle of the Marne and a frontal attack on Hill 182 for the Fresno state game with which Willamette opens here October 1. Secretly I believe he was busy creating some of those luscious bear stories with which he will presently regale the public.

Manicure.

Olinger field, the place where the high school gridders of Coach Harold Hank will begin practice September 13, is being manicured for the event. Usually baked hard and dry for the opening day of practice the field this year is being harrowed and curried in order that it will hold dampness and become a trifle yielding. It will be a great thing this year for the Salem lads to be able to prance out of the school building onto the
