"Blood!" Dr. Sutton exclaimed. "Fresh blood, just drying."

the steps, looking down at them.
"There would be no footprints, because of the gravel walk," I said.
"There might be, Harley, if a man "All the servants here, Mary, even | myself, since I saw him a few hours left, Davison?" I asked. walked over the grass instead of

"Mary? Don't be getting nonsen-That was true, but the closest examination failed to show a trace. sically dramatic!" "If you want me to work with you and your county sleuths, Wally," I the library. Foxeroft was standing a few said, "at least listen to whatever I paces from the glider, taking in every detail of the little porch that present, before you make any decisive comment. Mary was to be cut signs that someone came through was open to the south, but glassed off, penniless, if she refused to the library?" in at the east end, and almost hidmarry Dave Forrest. She knew itden with honeysuckle and climbing she was told so this afternoon by Montieth. She-"

"Whew! Are you sure?" "I will tell you how sure I am, later. Then there is a man named Griswold; he lives in Kingsbury. Mary is, I have reason to believe, in love with him, or thinks she is. She went to Kingswold college, that's in

Kingsbury."

Wallace Foxcroft stared at me in undisguised amazement. "I don't understand why you per sist in being a poor novelist when you might be a second Sherlock

"Chance-things I happened to overhear and to see-pure chance and luck," I assured him. "Evarts is on his way," Doctor Sutton announced.

Foxcroft took the telephone then and got in touch with Sergeant Harheart, indications are that it was a and got in touch with sergeant riarthin stiletto; the autopsy will determine that. I must send for Evarts."

Evarts, I learned then, but did not the call through he said to me, soft
the call through he said to me, soft
"Got the butler here." know before, was the coroner.

"Look here, Wally," I murmured Davison was waiting when he forceroft, "there are a flock of finished his call.

"Mr. Montieth was alive when I "Oh yes sir; he didn't take to the hammock for a half hour after that." My father-in-law came in to us, in

"You boys have sharper eyes," he said. "Why not see if there are any "We will, Major," Foxcroft re-

We began looking about. The ma-jor sat in the comfortable swivel chair at Montieth's desk and watched us as we looked about. He stared around here and there and suddenly cried out.

He pointed to a spot on the wall, a tiny red streak running down from a silver cross, or "rood" as it was Doctor Sutton, nearest, put his

inger on the streak. "Blood!" he exclaimed. "Fresh lood, just drying. I took my handkerchief and, with its little hook, but as I did so I

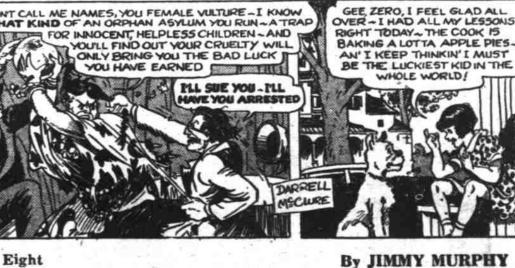

dropped it. We all stared down at it in amaze
