Funeral Held for Mrs. Albert Rich; Prune Picking Gets Started

SCOTTS MILLS—Funeral services were held here in the Christian church Tuesday for Mrs. Albert Rich, a resident of this community for 27 years. Mrs. Rich passed away Saturday morning at the home of her daughter, Mrs. H. S. Dixon of Portland, with whom she has been staying since her illness became serious early last spring. Polks' Exhibitors Take Many Prizes

DALLAS—Polk county entries in the 1937 state fair held last week in Salem carried away a large portion of the prizes and made the best showing for the county that has been made in several years according to lists of winners received by the county agent's office this week.

The total was about \$1,500. The winnings consisted of a large number of championships and of a large number of championships and of first and second.

The grand champion bird in the poultry show was a Rhode Island Red cockerel entered by Wayne Hanna of Independence. The outstanding turkey was a tom entered by Henry Domes of McCoy. Champions were plentiful in the sheep and goat divisions for Polk county exhibitors, as both the champion ewe and ram in the Romney Marsh breed

of sheep were from this county. The champion Southdown ewe, and the champion long-haired Angora doe and champion buck in the short-haired Angora goat division were all from Polk county.

A number of first prizes were collected in the dairy division, upholding the reputation that Polk county has long been famous for its Jersey cattle.

In the 4H club work, Clarence Primus was selected as the most outstanding senior club member and received a \$25 prize from the Oregon Bankers' association.

Albert Riney, a Polk county 4H club member, won first place on his Hereford heifer. Donald Gregg won third on his junior heifer in a class of 26 animals. Bob Lorence won second place in the sheep showmanship division while Robert Gregg won fifth in a class of 38 animals in the Jersey showmanship contest. Numerous other prizes were taken by Polk county 4H club members. Practically

the entire 4H club of Mrs. H. C. Vermilyea had exhibits at the state fair.
