Plaid Shirts Are Vogue at School

Clarion out; Leslie Tries Soccer; new Teachers Greeted, Parrish

The Clarion made its first appearance in the new high school Wednesday and looked very attractive. J. C. Nelson, a favorite with every student, has been appointed registrar instead of heading the history department.

Dean Jewell of the University of Oregon will be the main speaker when the new high school is formally dedicated September 30.

By LOUISE RAMAGE Junior Statesman Reporter All students at Leslie have been really working hard this week, however they seem to enjoy it.

At an assembly Friday the newly elected officers of the Boys' League and Girls' League were introduced to the school.

Monday those students who wished to take hand reported to Gordon Finlay. Tuesday, those interested in orchestra conferred with him. Leslie is looking forward to hearing some good concerts this fall.

Soccer was played for the first time Tuesday, which resulted in a few bruised ankles. That is always expected in such a game. Leslie has the checked shirt disease too.

By CIVILLA REEHER Junior Statesman Reporter Here we have finished our second week of school at Parrish and every one is apparently settling down after the excitement of the first few days. Work is being organized and pupils are finding plenty to do during their study hall period.

Mrs. O'Neil has been substituting for Miss White in her gymnasium classes while the latter has been away. Mrs. O'Neil along with the former Misses Clark and Van Winkle will not teach this year, but will enjoy a much needed rest.

Miss Lola Millard is on a leave of absence and Miss Humphrey is ill at present.

We were sorry to lose Mr. Bullard and Miss Boentj, who are going to teach in senior high. All are happy to see Mrs. McKinley, Mrs. Beaver and Miss Fellows back after their leave of absence.

To the new teachers, Mrs. Berg, Miss Brown and Miss Neptune we extend a hearty welcome.

Scene in Mousers' Show

Here is a gripping scene from the Mickey Mouse feature "Bad Guy," starring Edwin Norris, Virginia Grey and Bruce Cabot. Bruce is the fellow who saves human lives in an airplane wreckage and becomes a national hero. The other attraction is "Broadway Melody," with Robert Taylor and Eleanor Powell.

come and hope that they will enjoy Parrish as much as we do. The latest fad at Parrish right now seems to be plaid shirts. Girls as well as boys come to school all decked out in bright red and green plaids which indeed look classy

Club Notes

Hi ho everybody, this is "Freshie" Joe College in person writing you the latest Mickey Mouse doings. Gee, it surely was well to see everyone at the show last Saturday, the theatre was just a buzz continually of boys and girls telling of their vacation experiences.

M M C Our first joke today goes something like this: Boxing instructor (after first lesson)—"Now, have you any questions to ask?" Beginner (dazed)—"Yes, how much is your correspondence course?"

M M C Many old favorite performers are going to be back on the stage doing their best for you mice. If you have any talent at all come down to rehearsal Saturday at 10:30.

Favorite Studies Of Members Vary

Last Saturday the Mickey Mouse reporters did some quizzing of boys and girls as to their favorite study, and here is the result:

Douglas Yeater, 10 years old, likes recess best because he can play, while Faye Herbert, who goes to Parrish, likes gym as it doesn't take any concentration. Dell McManus who attends Englewood figures he gets the most enjoyment out of reading, "because you can learn more."

Gee whiz, here is a boy who likes arithmetic. His name is George Manning ten years old, because he asserts it passes time away. "Reason that I like Latin so well, is that the teacher takes up most of the time talking," boasted Orville Mull, who is a Leslie attender.

About Stamps

By DORIS HAROLD Hello, Fellow Collectors: It has lately been proven that even a stamp can cause a lot of trouble. A late Nicaraguan air mail stamp bearing a map showed Nicaragua as covering part of Honduras. Both countries fear that at the quarrel will create a crisis if it is not settled soon.

Although they have not yet been issued, Russia has stated that she intends to commemorate the soviet flight over the north pole by a set of four stamps. One of the late popular books concerns a stamp. Its title is "The Antigua Stamp" and is by Robert Graves. It is fiction and most people find it quite amusing. Any of you collectors can procure it at the public library.

M M C Yesterday I visited the new high school and really it is one kept building compared to the other one. At least a student can study and not hear his brain rumbling down the halls.

M M C Ralph Curtis, news editor of this paper wants to get some sleep and therefore urges that I hurry with my column as it is 12:30 a.m.

M M C Last week's program consisted of the McClintock twins from Barbara Barnes school of dancing, Joan Thomas, little Lloyd Hinz, Gloria Cottew, Willard Friesen, Kenny Cater, Johnnie Arnold, WILFRED, Bill to you, Mickey Mouse chief.
