Double School Holiday

SALEM HEIGHTS—There will be no school Thursday and Friday of this week on account of teachers' institute.

Alaskan Codfish Catch Destroyed by Fire

An entire season's Alaska codfish catch and oil extracted from it are seen "going up in smoke" as flames recently destroyed the Union Fish company packing plant at Belvedere, Cal. The San Francisco fire boat, David Scamell, at left center, drenched the raging fire with powerful streams of water but with no saving effect. Photo was taken from the highway which was the nearest point to which land fire apparatus could approach. Damage was estimated at \$345,000.—LIN photo.

Annual College Play Will Be First To Be Presented on new Gym Stage, Now Being Constructed, Mt. Angel

MT. ANGEL—The stage in the new Mt. Angel college gymnasium, erected last year, is expected to be in readiness for use by Christmas. Work on the stage was begun last week. The gym has been used for athletic purposes since last December.

Plans call for an extended curvature of six feet more than present lines. This extension, in four sections, will be portable and contain the footlights.

Height of the stage will be 15 feet, with an arch forming the top of the opening. Wood paneling is to be used as trim. Two dressing rooms, one on each side of the stage, will be provided. Six spotlights with dimmers and colors, a blue curtain backdrop, and a motion picture screen for the newly purchased RCA projector is among the equipment to be added.

The timely completion of the stage will enable the boys to give their annual college play in their own hall for the first time since the fire of '26. The name of this year's dramatic offering has not been selected as yet.

Sunnyside Club Meet Advanced

SUNNYSIDE—The first meeting of the Sunnyside community club will be held at the school house Wednesday night. The regular meeting night is Friday night but this would interfere with the meeting of the Red Hills Birthday club.
