Friday Losses Are Recouped

Stocks Do Quick Turn to Regain 1 to 3 Upon Prior Setback

NEW YORK, Nov. 20-(AP)-Stocks did a fast about-face in today's market and leaders retrieved 1 to more than 3 points of their sharp losses of Friday.

The comeback was in the face of still cloudy business trends, continuing labor difficulties and doubts regarding the ability of congress to revise much-disputed tax laws at the present special session.

Buyers See Upturn

Brokers attributed the upward reversal partly to quick-turn buying by those who believed yesterday's relapse called for at least a moderate rally.

The Associated Press average of 60 stocks was up 1.1 points at 44.3. There was a setback of 2.7 points the previous day. Transfers amounted to 1,232,100 shares against 509,500 last Saturday. It was the largest two-hour volume since October 23.

Gardeners' and Ranchers' Mart

PORTLAND, Nov. 20-(AP)-With a more plentiful supply of navel oranges on the Gardeners' and Ranchers' market, the price weaken slightly.

A price differential is being made on the smaller navels.

Hothouse tomatoes remained strong and advanced one cent a pound for the well-graded stock.

Hop Sales in State Lower

Demand off During Week but Market Tone Is Still Firm

Oregon hop markets have held a steady tone the past week, though demand was slow with only about 500 bales changing hands, according to the Weekly Hops Market Review of the bureau of agricultural economics.

California markets developed a slightly firmer tone, with producer sales including 487 bales of good quality 1937 hops from Sacramento valley at 13½ cents per pound. Eastern and United Kingdom buyers showed greater interest in California offerings. Growers were not offering remaining supplies very freely.

Sales in Washington by Yakima valley growers totaled around 177 bales of good quality 1937 clusters which netted 12 cents. Growers at Puyallup were asking around 15 cents for 1937 fuggles, but no sales or offers were reported.

15½ Cents Best Price

In Oregon, demand was rather slow from both domestic and foreign interests but lack of any appreciable selling pressure from growers in this state tended to furnish a steadying market influence. While accurate figures were not available as to the volume of sales by Oregon growers during the past seven days, trade advices indicated at around 500 bales of 1937 crop hops were sold at prices ranging from 12c to 15½c per pound, net growers, variation depending upon quality. 1936 crop hops were nominally quoted around 10c per pound and 1935 hops at around 6c per pound, net Oregon growers. No sales of 1936 or older growths however, were reported during the week.

Top qualities were in best request but growers with those grades were showing a rather firm holding tendency for better prices. Scattered lots were reported available at around current price levels but producers as a rule were not pressing remaining supplies for sale. Deliveries on term and early season contract sales were nearing completion, according to trade reports.

Thunderbolt Sets New Land Record

Eyston's Mighty Speeder Does Measured Mile at 311.42 MPH

BONNEVILLE SALT FLATS, Utah, Nov. 20-(AP)-In two screaming bursts of speed, Capt. George E. T. Eyston of England Friday broke the world's land speed mark for the measured mile, rifling his racing monster "Thunderbolt" over the distance at an average speed of 311.42 miles per hour.

The 40-year-old grey-haired Englishman, traveling faster than man has ever traveled in an automobile before, easily broke the record of 301.1292 miles per hour set here in September, 1935, by his compatriot, Sir Malcolm Campbell.

"Thunderbolt," its two mighty 12-cylinder motors clicking a perfect mechanical symphony, also broke the world's record for the kilometer by doing the distance at an average of 312.20 miles per hour. Sir Malcolm's record, set at Daytona Beach, Fla., in 1935 was 276.16 miles per hour.

Eyston, heir apparent to the speed throne after two recent unsuccessful attempts here, made the first run over the 13-mile straightaway cautiously, conserving his speed burst for the return trip.

On the north run, "Thunderbolt" did the mile in 11.79 seconds, or 305.34 miles per hour. On the return trip the giant silver, streamlined juggernaut literally flew the distance in 11.33 seconds, or 317.74 miles per hour.

Through the north kilometer run, Eyston sped at 305.53 miles per hour, doing the distance in 7.32 seconds. With the throttle wide open on the return jaunt, "Thunderbolt" flashed through the kilometer in 7.01 seconds, 319.11 miles per hour.

Final Rites Held For Mrs. L. Doty

JEFFERSON—Funeral services for Mrs. Lizzie Doty, 67, who died Tuesday at the home of her sister Mrs. H. D. Haight near Scravelhill, were held Thursday afternoon from the Fisher funeral home in Albany. Rev. Jasper Haven, pastor of the local Christian church, officiated.

Pallbearers were Robert, John and David Terhune, Clair Haight, Delmer Buchner and Gilbert Zimmerman, nephews of the deceased. Mrs. Clair Haight, Mrs. Robert and John Terhune arranged the flowers.

Mrs. Doty was born in Butler county, Pa., July 27, 1870, and came to Oregon at the age of 15 years.

She is survived by an only son, Curtis M. Doty of Albany and two grandsons, and her sister, Mrs. Manda Haight with whom she made her home in her last days; two brothers, F. C. Zimmerman of Jefferson, and A. W. Zimmerman of Colville, Wash. Interment was made in the Riverside cemetery, Albany.

State Corn Show Planned by Bank

First National Will Put on Exhibit Nov. 29 to Dec. 4 in Portland

Requests for entry blanks for the first Oregon statewide corn show were this week being received in increasing numbers by J. E. Roman, manager of the Salem branch of The First National Bank of Portland from corn producers in this community. At the same time many exhibits from Marion county were being sent directly to the mezzanine of the public market in Portland where the competition among corn growers will take place November 29 to December 4.

According to Mr. Roman, a complete educational program giving information on every phase of the corn industry has been planned to supplement the show.

"This project sponsored by The First National Bank of Portland is expected to stimulate the growth of corn in Oregon, many sections of which are natural locations for production of the grain," he said. "It is also an opportunity to find which parts of the state harvest the best yellow ears."

Exhibits, open to all growers in the state, are limited to ten ears of yellow corn of this season's harvest. Many prizes in open and 4H club classes are offered by the bank. There is no entry fee.

Wheat Market in Last Hour Rally

Week's Losses Cancelled Following Argentine News of Frosts

CHICAGO, Nov. 20 -(AP)- The wheat market wiped out its week's losses today with a sharp three cents a bushel advance in the final hour based on a report that frost in an important Argentina wheat producing area did more damage than expected. Most of the gain was held.

Prices tilted upward from the start, largely as a result of rallies in stocks and more active business in North American wheat for export overnight. Later a report from R. O. Cromwell, a Chicago expert now in Argentina, said his survey of southern Buenos Aires province disclosed heavy frost loss.

Wheat closed 2⅛-2⅞ cents higher than yesterday's finish. Dec. 92¾-7⅞, May 92⅝-¾, July 86⅜-½; corn 1¼-1¾ up, Dec. 54¾-7⅞, May 57⅝, July 58½.

Charity Work Is Voted by 4M'ers

MACLEAY—At the November meeting of the 4M club with Mrs. S. Neiland and Mrs. F. Eckengrin as joint hostesses, the club voted to donate to the Red Cross and gave articles for a box for the Children's Farm Home at Corvallis.

Plans were made for the Christmas party with Mrs. Neiland and Mrs. Eckengrin in charge. Mrs. M. M. Magee was elected secretary and reports were given on the county federation meet by Mrs. A. Speibrink, Mrs. A. H. Fuestman, Mrs. M. M. Magee and Mrs. H. E. Martin. Mrs. A. Plant was received as a new member.

Miss Winifred Plant told of her visit to Canada, J. F. C. Tekenburg gave a reading and a menu contest conducted with Mrs. M. A. Wells receiving the woman's prize and J. F. C. Tekenburg the men's prize.
