Stock Bullish As Aid Looms

Leaders up 1 to 5 Upon Belief Government to Help Business

NEW YORK, Nov. 27-(A)-Belief developments in Washington would soon be turned into concrete aid for business brought a bull drive today in the stock market and leading issues advanced 1 to 5 points.

Building material, steel and other heavy industry led in the short Saturday session rally-reflecting Wall street's hopes President Roosevelt's housing message to congress Monday would open the way for revival in the construction industry.

Utilities were in demand as traders hopefully weighed the prospects of a "peace pact" between private power companies

tween private power companies and the administration.

The rally with Friday's gains wiped out most of the losses early in the week before the Thanksgiving holiday. The Associated Press average of 60 stocks closed at 45.60, a gain of 2 points. The average a week ago was 44.3. Transfers were 1.141,-230 shares compared with 1,-232,100 last Saturday.

Buying Declines, Wheat Lets Down

Strength in Securities Reason for Early **Buying Spree**

CHICAGO, Nov. 27-(AP)-After an early buying spree stimulated by strength in securities evaporated, the wheat market today was unable to rise above Friday's close and when trading ended

was unchanged to % lower.

Prices were lifted about one cent a bushel the first few minutes but this was soon lost when buying contracted. Most of the session prices fluctuated nervously in a quiet trade. The market lacked leadership.

Wheat closed unchanged to % off compared with yesterday's finish, Dec. 90%-1/2, May 89%-90, July 85%-%; corn ¼ down to ¼ up, Dec. 53%, May 56½-%, July 57½-%.

US Fruit Grower To Face Tougher Competition now

Gardeners' and Ranchers' Mart

PORTLAND, Nov. 27-(A)-Trading remained slow today on the Gardeners' and Ranchers' market Medium standards as moderate supplies kept pace Pullets with a rather sluggish demand. Oranges were lower as navels Medium Leghorna lb. became more plentiful. California cucumbers suffered

a slight loss. Their range dropped to \$1.75-\$2 per lug. Local hothouse tomatoes were

Polk Economic Conclave Set

Farmer's Problems Come up Before Session to Be in January

DALLAS-Recently a committee of representative farmers and farm women met at the court house with County Agent W. C. Leth and J. R. Beck, rural service specialist from Oregon State college, to lay plans for a Polk county economic conference to be held sometime in January. This will be a one day conference, compared with a two-day conference that was held two years ago.

Four main committees were selected to study the various problems affecting Polk county farmers with the purpose of having these committees report at the time of the economic conference. The following committees were

selected: home and rural life committee - Mrs. Charles Bowman, chairman, Mrs. Stella Hen-ry, Mrs. A. E. Utley, Mrs. William Knower, Mrs. Wes Osborne, Mrs. Ira Ray, Mrs. L. N. Lindeman, Mrs. Wes Elliott, Mrs. George Woods, Mrs. Ben Lange, Mrs. William Villwock, Mrs. George Van Santen, Mrs. George Cooper, Mrs. Ross Chapin, Mrs. jr., Mrs. Thurston, Mrs. W. J. Kerr, Mrs. O. L. Frink, Mrs Har-Walker, and Mrs W. W. Row-

Rubber Important In Auto Industry

Making of Cars Is Huge Market for Product; Facts Are Listed

Some interesting facts on the rubber industry, particularly in its relation to the automotive industry were related by T. G. Graham, vice-president of the B. F. Goodrich company in a recent broadcast from the company's principal headquarters in Akron, Ohio. Among the highlights pointed out by W. H. Zosel, manager of the Goodrich Silvertown store at 198 South Commercial street here, are the following:

Eighty per cent of the products made by the rubber industry are

used in automobiles. The rubber industry manufacwindshield rubber, floor and running board covers, insulation, upholstery material and many other articles.

Huge Amounts Used The American rubber industry uses about 1,250,000,000 pounds of rubber annually and Goodrich alone requires the output of more than 50,000,000 rubber trees. The services of 170,000 native workmen on the plantations in the far east are needed every year to collect the rubber latex or sap from these trees for Goodrich require-

ments. It is estimated that an average automobile tire represents the total amount of latex taken from two rubber trees for a whole year. The present long service given by modern tires has been made president, Robert Roth; vice- possible by careful laboratory president, Mildred Botten; secre- studies applying knowledge of the sciences to find the best methods of combining materials and deis leader of the Art club with ? signing structures to increase the

Halada and sister, Rose; tures more than 180 parts used a grandfather, Frank Rostrska, in the automobile in addition to and uncle, Aanton Rostrska of tires. They include engine mount- | Scio; an aunt, Nettie Corrothers ings, hose, vibration dampeners, of Seattle; grandmother, Mrs. John Halada; and 3 uncles and 3 aunts in Wis. The funeral will be Sunday at 10 a.m. in the Lowe chapel in Lebanon and the service will be read by Herman Lasky or Salem. Committal will be in the Mt. Crest Mausoleum and Crematorium at Salem. The pallbearers will be fellow workers of the Ford mill.

Letting Bees Keep Beekeepers Advice Of Farm Authority struggle.

CORVALLIS, Nov. 27-(AP)-A. Burruer, Oregon State college management department head, told Oregon State Beekeepers association members today they should let bees keep them rather than keeping bees.

Burrier said it cost from four to twenty cents a pound to produce honey. Apiarists believe, because of the small cash outlay, they are making money when actually they are not, he added. A. B. Black, state bee inspec tor, urged better methods in eliminating the American foul breed,

described as the worst scourge

of the industry. He said 5.3 per

cent of 1,702 yards, consisting of 21,818 colonies inspected, were diseased A. J. Sanford, Redmond, inpection committee chairman, was chosen president, succeeding Lewis M. White, Portland. W. D. Haskell, Portland, was elected vice president and Dr. H. A. Scullen, Corvallis, was re-elected sec-

Ont-of-Town Relatives Entertained Thursday: Aged Ladies Still Cook

retary-treasurer.
