Mob Action by CIO Reported

Two AFL Men Forced to Leave Aberdeen in Hurry, Complain

(Continued from page 1) ment of last May barring strikes and "job action" and said that pending "adequate assurance to the contrary" it could no longer consider the organization a "re sponsible" bargaining agency.

A. F. Hartung, president of the CIO district council, retorted tha: instances cited by the association resulted from "deliberate violation of contract" by operators, includ-

ing wage cuts. Pritchett's unity proposal, which he said sought only agreement by the AFL and CIO on the renewal on contracts with employers, was opposed by Portland delegates who demanded assurance the proposed CIO envoys would be received by the AFL group.

Describing a "serious but not alarming" financial situation. Pritchett disclosed the IWA had not paid its 5 cent per capita tax to the CIO nor repaid a loan of

He recommended a special assesament of \$2 per member and raising the per capita levy from 25 to 30 cents.

WASHINGTON, Dec. 3. -(AP)-Senator McNary (R-Ore) said tonight the National Labor Relations board appeared to be making no serious effort to settle the interunion jurisdictional dispute of Portland, Ore., lumber workers.

"It looks like the board is marking time until it learns ents were the only adults. The out dependents shall be dropped whether national leaders of the American Federation of Labor and the Committee for Industrial Organization intend to make peace,' he said. Conferences between the two factions are underway. If an armistice were reached,

McNary said, the Portland situation would be cleared up immed-

Pleas Heard for Van Vlack's Life

BOISE, Idaho, Dec. 3-(P)-Ida-ho State Prison Warden William H. Gess urged the state pardon board today to spare triple-slayer Douglas Van Vlack from the gallows he is scheduled to face a week from today.

After hearing numerous pleas for commutation of sentence, including that of the Tacoma, Wash., man's mother, Mrs. Karl Van Vlack, the board recessed unthe final appeal of Van Vlack's

Audience Pleased By Snikpoh Play

Humor of 'Growing up' Is Appreciated Most by **Parents Present**

By MAXINE BUREN "Growing Pains" the Snikpoh club's three act comedy was presented at the high school auditorium last night to a large and appreciative audience.

Although a great part of the audience was composed of students, the parents present were much more understanding of the humorous incidents in the life of adolescent Bob and Terry McIn- Hoyt street and the other, known tyre, principals in the play.

The opening scene was prob- of the city. ably the best, with young Bill Snell playing the part of George, shirt tails out, begging for the family car and his sister Terry (Virginia Steed), adding a great deal to his discomfort.

The play was an excellent one for high school cast, as little makeup had to be used, the par- are to be discharged, those withstory is of the high school boy from the payroll first. and girl, their first "crushes" their first party. A good deal of humor, a dash of slapstick and lots of complications made it interesting throughout. Leads Excellent

The two leads were excellent in their parts, the parents, played by Orah Elliott and Willard Grant, gained confidence as the play progressed and the supporting cast was all very good. Between acts a quartet of

'girls' of surprisingly heroic dance, and the audience felt certain that some of the faces had appeared frequently under foot-

Don Upjohn gave a short talk on Christmas seals and Miss Lelia Johnson was presented with a gift from the Snikpoh club in appreciation of her work in directing the play.

Fifth Burglary at

(Continued from page 1)

Entrance was gained by jimmying the front door, Smith said. The burglar or burglars evidently used powder or nitroglycerine, setting off the charge with wires connected to a battery outside. Wires were found strung through the place when plant employes arrived Friday morning.

Both the state police and the sheriff's office are investigating the attempted robbery.

Chemical Plants Declared Needed To Utilize Power

PORTLAND, Ore., Dec. 3-(AP)-Electro-chemical or electro-metallurgical industrials are needed to use northwest power, forest, mineral and crop resources, Dr. E. T. Hodge, consulting geologist for the United States army engineers, told a civic club today.

He said half the nation's timer, two-fifths of the water power and 13 per cent of the land area, but only 2.8 per cent of the population was in the northwest. "We should have 10,000,000 people," he added.

Klamath Motorist Dies As Car Strikes Horse Mother and Four

KLAMATH FALLS, Dec. 3-(AP)-Allan Chilcote, 18, died today of skull fracture and a punctured lung, suffered when an automobile in which he was riding struck a horse. One of six others in the car, driven by Thomas Hatfield, was injured.

Compromise Reached on Right to Enter Foreign Settlement Without Notice, Demanded

> (Continued from page 1) of bayonets around the 30-block area after a Chinese student tossed a hand grenade at the "Victory March" of 6,000 Japanese warriors as it passed down Nanking road,

Grenade Thrower Is Slain by Chinese The explosion wounded three Japanese soldiers, a Japanese policeman and a British police inspector. The grenade thrower was shot dead by a Chinese constable of the settlement police as he turned to flee.

Another Chinese died. As the Japanese, after several moments of near panic, reformer to resume the parade, this man hurled himself from a tall building on Nanking road. His body crashed into barbed wire entanglement.

During the near panic an American, Vaughan Read, 75, had a fist fight with several Japanese who he said molested him. Read said eight Japanese took part in the scuffle, that he knocked one officer cold and that he was beaten although not seriously hurt. A British accountant, E. T. Maitland, had to be protected by settlement police from angry Japanese after he broke the staff of a small Jap- Hello, Fellow Collectors: anese flag.
