

### Street Lights Get Approval

**Sidewalk Matters Also up at Regular Meeting of City Council**

LEBANON—Due to the absence of Mayor Dr. J. C. Booth, Tuesday's city council was presided over by councilman Gill. Little business was transacted. A resolution that street lights be installed at Grant and Seventh, Franklin south of Elm, and the Santiam highway north of Wheeler street, was adopted. The lights to be located by the street committee.

Superintendent of Streets E. E. Register was directed to remove a dangerous sidewalk located on Walnut street. A class B beer license was approved for Dan Hurley.

**To Sell Property**  
The city attorney was directed to prepare a resolution for the sale of certain lots owned by the city in Block 9 of Wasserman's addition in Lebanon. Petition for construction of a sidewalk on the south side of Maple street between Park and Grove streets was granted. The city attorney directed to prepare a resolution to compel construction of the walk and to notify the property owners affected.

### Bessie Whinery, New Lodge Head

LEBANON—The Pythian Sisters lodge held its December meeting and annual election this week. The officers for the coming year are:

Bessie Whinery, most excellent chief; Madge Frum, excellent senior chief; Leonard Lafont, excellent junior chief; Cordia Gage, manager; Stella Miller, mistress of finance; Maxie Cox, secretary; Marian Shields, guard; Emma Arnold, protector; Velma Horton, musician; Chesla Young, reporter; Dora Kellenberger, trustee; Alia McKinnis, captain of staff; Chesla Young, pastling officer and Ilda Cotter, past chief.

After the lodge session a lunch was served by Mrs. Jane Fitzwater, Mrs. Frances Pierce and Mrs. Lena Burlan.

### WHS Homecoming Is Slated for 23rd

WOODBURN—The Woodburn high school annual homecoming will be held December 23, beginning at 7:30 p. m., with registration and class reunions.

A program will be given in the auditorium and will be followed by a basketball game between the alumnae stars and the high school team.

The committee in charge includes Gilbert Ramage, Gordon Seely, Edward Koch, Robert Gauder, Cleo Carothers, Jeanne Lee with Mrs. Helen Guise and Miss Helen Letz as faculty advisers.

### Smoking Parties Staged by Youths In City Hall Corridor at Scio Are Fire Hazards, Declares Councilman

SCIO—Attention was called by Councilman Bryan at the December meeting of the municipal board to the hazards attending the practice of young people who congregate in the corridor of the city hall and stage smoking parties.

Valuable records, fire equipment and the building itself are subjected to destruction by fire in this way, it was pointed out. The council sought to arrange for city dump grounds for trash and refuse matter, having in view the location on which the county rock crusher operated some time ago, but the county court has written that in all probability the site would again be used in the spring for a crusher to supply gravel to the district north of Scio.

### New Management For Movie Show

**Tyson, Cobb and Wiley Get 3-Year Lease on Lodge Hall**

JEFFERSON—Jefferson lodge No. 33, AF & AM, has leased the Masonic hall to Jack Tyson, W. L. Cobb and H. A. Wiley for a period of three years. They will operate the moving picture machine, and are installing a \$125 screen, and are planning other improvements in the building. The first show will be given Saturday night under the new management.

The Evangelical parsonage is being improved on the interior, by being repapered, and woodwork painted and enameled.

**School Group Meets**  
Only a small group attended the meeting of the home-school organization. The hot lunch project was discussed, and the matter was continued until the next meeting. Following the business session, the girls' high school sextet, Ida Belknap, Ruby Marcum, Anita Gilmour, Barbara Colgan, Lorena Olem and Juanita Holt, sang "Holy Night, Silent Night," and they also led the group singing of Christmas carols.

Rev. F. G. Phillips gave a talk on world peace. Mrs. Cecil Holt and Mrs. Guy Roland served refreshments.

Mr. and Mrs. James Stewart left for Vancouver, Wash., the first of this week where Stewart will have employment.

Harry Marcum, who sustained injuries nearly a month ago by falling from the Methodist parsonage porch, is still confined to his bed.

**Brother, Sister Visit**  
SHAW—Mrs. Alice Maloney of Williams, Minn., and Lish Besancon of Yakima are visiting Mrs. Frank Goodin who is under the doctor's care. Mrs. Maloney and Besancon are sister and brother of Mrs. Goodin.

### Students Repair Toys for Kiddies

WOODBURN—Children who have broken toys to donate for the Christmas boxes are asked to leave their toys at the Moore-Beers drug store, the J. J. Hall studio or at any of the schools. The toys should be handed in as soon as possible so that they

can be repaired and made ready for distribution. The manual training class at Woodburn high school under direction of J. Sidney Johnson will repair the toys and the girls of the Home Ec club, under the supervision of Mrs. Helen Guise, will assist in the work.

The work is sponsored by the Woodburn Woman's club, with Mrs. Walter Miller, Mrs. J. Sidney Johnson and Mrs. Lester Walling the committee.

### Chamber may Get Home of Its Own

SILVERTON—That the Silver-ton chamber of commerce will have a home of its own in the near future was the opinion expressed by members of the board this week. Negotiations are under way for such a place, it is said, and the board members report

that it will likely be procured before the January meeting.

While it has not been definitely stated what place is considered, it is understood that negotiations are being made to obtain the space above the Legard & Adams store. This is the former rooms of the Silver-ton body.

For years the Silver-ton chamber of commerce had these rooms and maintained them as a meeting place and for social gatherings. Should they be arranged for this again, it is understood that a

kitchen and dinner serving facilities will be added.

**Marvin Lytle Visits**  
SCIO—Marvin J. Lytle of Cheyenne, Wyo., is visiting here at the home of his parents, Mr. and Mrs. Joe Lytle. He is a government engineer, having been in the service since 1913 with the exception of his military service during the World War. This is his third visit to Scio within the last eight years.
