

Utility Director Authorizes Bond

Mountain States Company Will Float Issue to Redeem Mortgage

N. G. Wallace, state utility commissioner, yesterday released an order authorizing the Mountain States Power company to issue and sell \$4,000,000 principal amount of first mortgage bonds and \$700,000 principal amount of serial notes.

Proceeds from the sale of these securities would be used to redeem at maturity, January 1, 1938, outstanding first mortgage bonds of \$8,182,250.

The company originally requested authority to issue 69,160 shares of \$6 cumulative prior preference stock in cancellation of its open account indebtedness to its parent company, the Standard Gas and Electric company, but withdrew this part of its application following a hearing at Albany November 23.

Wallace said he authorized the issuance of the bonds and notes upon the condition that the company would not make any payment upon the principal amount of its open account indebtedness to Standard Gas and Electric company or pay any accrued interest upon such indebtedness during the five-year life of the bonds until such time as the validity of the open account indebtedness was determined and the laws of the state of Oregon complied with.

Copies of the order, covering 26 pages of typewritten matter, were sent out by the commissioner yesterday.

Major Change in Bus Routes Here

(Continued from page 1)

The minutes past and 50 minutes past Sunday service as in the past will be 50 minute service.

The seven bus routes in the city will all begin service at 6 a. m., continuing until 11:40 p. m. All buses will be on 20 minute service except Sundays and holidays. The buses will all load at the northeast corner of State and Commercial street by the Salem Drug company except the South Commercial street bus which will load at the U. S. National bank corner. Previous to this time all four corners, necessitating many inconveniences for the passengers such as crossing two light signals and not being under shelter. There will be only one crossing for those wishing the South Commercial street bus. Buses will also be added to make possible this service.

The new Lee street line will run out State to Court to 14th to Trade to 16th to Lee to 21st; inbound, 21st to Lee to 14th to Mission to 14th to Mill to 16th to Trade to 14th to State to Commercial.

Show at Capitol Held Exceptional

"Action plus variety" is the keynote of the combination stage and screen show at the Capitol today.

The stage attraction is made up of five outstanding acts with "Marie and Her Pals" as the headline attraction. Marie has a clever group of four Shetland ponies, eight trained dogs and a bucking mule that is a panic in himself. Another outstanding act is Hubert Dyer and company. Dyer was on the original Orpheum for over 10 years. Dyer and his pretty assistant do things on a trapeze.

Dorothy Oliver is fresh from a tour of Australia and the continent and offers many new song styles plus a very pleasing voice. Jack Cavanaugh is a cowboy star of extraordinary ability. His finale of a tap routine, rope spinning with his head, and playing the mouth-organ and guitar at the same time brings down the house.

Last but not least are Mantell's Mannikins. Mr. Mantell is another trouper whose experience shows in this unique presentation of the "Puppet Revue of 1937" which features impersonations of many famous radio and screen stars.

mind in reading Landon's statement, particularly an assertion that:

"A man who is in position of being suspected of being either an active, or receptive candidate cannot render the service either to his party or to his country that I conceive to be my patriotic duty and responsibility in the critical situation confronting us."

Landon's renunciation of 1940 White House ambitions was made known at a jovial reunion with the Washington correspondents assigned to his campaign for the presidency last year.

"It is presumptuous to decline something that has not been offered to one," he said. "A short time ago, I would not have answered this question. However, recent developments have convinced me that by acting as a citizen, as the 1936 republican candidate, frequently have been misconstrued.

"For that reason and because personalities frequently confuse the clear-cut consideration of problems in politics, I am glad to answer the question without any equivocation whatsoever."

"I have not had any intention of being a candidate in 1940 and in order that my position may be perfectly clear, I will not accept the nomination in the remote contingency that the republican national convention should offer it to me. . . ."

Thompson Leader, Democrat Society

Avery Thompson was reelected president of the Marion County Democratic society at the annual meeting held last night at the courthouse. Thompson became president last fall after H. E. Walter had moved out of the county.

Other officers named last night were:

Vice-president, Albert Friesen; secretary, Dorothy Wheeler; treasurer, J. F. Ulrich, reelected.

The local society will hold a Jackson day celebration, probably a dinner program, here January 8, it was decided. Thompson will name a committee on arrangements in the near future.

rains yesterday and the night before. The lower San Joaquin valley was drenched.

The Red Cross and New York state moved to prevent suffering among city and suburban dwellers virtually marooned in the heaviest December snow storm that has swept off Lake Erie in years.

Ten lives have been claimed in Buffalo, N. Y., and vicinity.

Thirty inches of snow, driven by strong winds, fell in three days in the hardest hit locality—North Buffalo and suburban towns. More snow and wind were forecast.

solist, added interest to the program.

Singing of the "Inflamatus" from the Stabat Mater was presented in quite a different manner than originally planned. The philharmonic choir of Williams university sang the beautiful number with Miss Kathryn Smullen as soprano carrying the solo part. The orchestra and Miss McCormic were to have accompanied the choir.

Popularity Votes Come in Rapidly

Bobby Lorenz and Barbara Sedore Lead; Special Offer Announced

Votes are just pouring in the ballot box in the foyer of the Elsinore for the most popular boy and girl in the Mickey Mouse club. Over three thousand votes had been received Thursday. Bobby Lorenz led the boys with 1500 votes, followed by LeRoy Wood capturing 600 from his friends. Leading the girls in the race is Barbara Sedore of Highland school, claiming 900 votes to her credit. In high school Virginia Gamble is following a close second with 500 votes.

Now is the time to get behind your candidates and make them the most popular boy and girl in the Mickey Mouse club. The age limit is between three and sixteen so start clipping the ballots out of The Statesman now for your favorite.

If you have other friends whom you think are popular and should be in the contest write their name in the blank—the more the merrier.

Contest will continue through our Mickey Mouse club Christmas party which is to be held Friday, December 24.

And here's a way to earn some extra votes for your favorite; anyone bringing in a new subscription to The Statesman will receive 1000 votes.

Report Cards out At Leslie School

By LOUISE RAMAGE
Junior Statesman Reporter

Tuesday, the report cards came out and most of the students seemed more worried about their grades this semester than last.

Miss Esther Arnold, our gym teacher, is conducting a series of experiments with mice. She is giving them different diets and seeing how they respond. We can expect her to try it on us when she sees the results.

The song "America" doesn't seem to be very well known among the seventh graders so Mrs. Clark has been giving them a test on it. I wonder if the rest of us know it.

Corridor Corps Aids Discipline

By CIVILLA REEHER
Junior Statesman Reporter

Corridor Corps—two small words—but what a big meaning; for that is what the two initials CC stand for at Parrish.

A good CC is: dependable, self-reliant, courteous, self-controlled, attends to duty, and keeps his station in first class order. This is the way the slip reads that boys and girls of the ninth grade receive announcing their being chosen as a CC for a period of three weeks, which is indeed a very honored appointment, for all have that desire to become a part of the group in charge of the halls and stairways.

Each student is given a certain position which he occupies in the mornings, noons and evenings.

It is a fine thing for the school, as it keeps order in the halls, and students are able to do a small part for the betterment of Parrish.

About Stamps

By DORIS HAROLD
Greetings, Fellow Collectors:

Perhaps you have been having trouble making out your Christmas gift list. Stamps are always appreciated by your friends who collect. Or, you may start a new collector by giving him an album and a few stamps as a starter.

Stamp tongs or watermark detectors are always appreciated by older collectors. Perforation gauges and magnifying glasses are also very acceptable. Another gift for a person with some leisure time, would be a subscription to a stamp magazine or a stamp catalogue.

I hope that these suggestions will help you in your shopping. If you desire some of these yourself, a friend's hint to your parents or friends might help.

Tense Moment in "Sub" Thriller

There's trouble brewing in this scene. Can you guess whether the girl likes Pat O'Brien or Wayne Morris just by the picture? Nevertheless, "Submarine D-1," which is the special Mickey Mouse feature today, is packed with far more action scenes than this. Over one million dollars was spent in bringing you this undersea drama.

Home Ec Bazaar Is Held at High

Tuesday was filled with excitement at Salem high as report cards were given out. Grades were the main topic of conversation for several days.

On Tuesday general study period, a movie was given on basketball. The majority of pupils attended.

The annual Home Ec Bazaar was held Thursday and Friday. Home-made candy and fruit cakes were sold, as were all types of scarfs, aprons, kerchiefs and any individual orders.

Finalists Chosen In Dance Contest

Seven boys and girls full of dancing ability and out to win the Barbara Barnes six-months dance scholarship which will be held on the stage of the Elsinore today at 1:30.

It has been discovered that Salem possesses much talent in the dancing field, for over twenty-five kiddies made brave attempts to appear in the finals, some record.

The contestants will be judged on personality, their dance step, the easiness with which they put forth their routine, etc. Critics include Mrs. Tyrus Hillway, Mrs. Gene Adlard, Miss Barbara Barnes, Miss Maxine Buren of The Statesman, and Alfred Lauraine.

Here is the list of those winners eligible to participate in the finals: Joan Smith, Lois Cheney, Eileen Fisher, Peggy Marshall, Yvonne Cannon, Joy Hendrickson, and Bruce Burns. These people are requested to be at the Mickey Mouse rehearsal today at 10:30.

Letters in The Mail

Dear Bill:
Will you have some one sing a song for me, "My Little Buckaroo."
Sincerely,
MARGARET CHRISTENSEN.
P.S. I would like to join your club.

Dear Bill:
I am writing to tell you when I think we should have our Christmas party. I think we should have the Mickey Mouse party Friday, December 24th, instead of Christmas. Because a lot of the Mice will be out probably for Christmas day. And a lot of the Mice won't be able to come if we have it on Christmas day.

Your Pal,
GEORGIANNA BELCHER.

Club Notes

Today the finals of the Barbara Barnes six-months dance scholarship will take place on our stage at the regular club time. M. M. C.

Don't forget the huge Christmas party Friday, December 24, plus many valuable prizes by Needham's Book store, Hartman Bros., Bishop's, Cooke Stationery, the Karmelkorn shop, and many other merchants. M. M. C.

Popular boy and girl ballots are still pouring in and tabulations as to the progress will be read from the stage, also the prizes. M. M. C.

Be sure to be at Mickey Mouse today as manager Carl Porter has booked a special stage act that all of you Mice will enjoy. It wouldn't be fair to tell now, but the whole affair will be revealed at 1 o'clock today. M. M. C.

Last week's program consisted of DeLoris Jean Brennen and Joan Brennen of Ed Cheney, Bonnie Zwicker, Jean Rowland and Patty McCarthy from Barbara Barnes, Bernita Cannon, Dorothy Edwards, Jerry Cottew; Joanne Thomas, another pupil of Miss Barnes; Jim McNeil and Merle Crowe. M. M. C.

That "Submarine D-1" is the Mickey Mouse feature is no longer a secret with the Mousers. The other attractions include "Glamorous Nights" with Victor Jory, another chapter of the serial, cartoon, and the latest news of the day. M. M. C.

So with all of that lined up, I'll sign off and see you at 1 o'clock. Bill, Mickey Mouse Chief.
