Silverton City Police Officers Are 'Flatfoots'

SILVERTON—Police officers at Silverton are again "flatfoots" according to their own statement. For the time being they are on foot.

No definite action as to the disposal of the police car has been taken, but it is being stored temporarily at a local garage.

The police car was purchased several years ago with the thought of giving the city better and speedier coverage. In recent years the car has been a big expense to the city and city council members have discussed getting rid of it for either a new car or working out some other means of coverage without the continuous use of a patrol car.

Definite action is being deferred to a later meeting.

Mrs. Cannoy Improves
KINGWOOD—Mrs. J. C. Cannoy, who has been seriously ill with pneumonia, is reported definitely on the mend. She is under the care of a nurse at her home here.
