Delay Bridge Painting — Painting of the new Mill City steel bridge, left uncompleted in this respect because of weather conditions, will be delayed still longer, it was decided yesterday at a conference there attended by County Judge J. C. Sigmund and County Engineer N. C. Hubbs of Marion county, members of the Lin County court and Tom Lillib, contractor. It had been hoped to arrange for the painting job soon to prevent development of severe rust conditions on the new structure. The local court has held out \$150 on its share of the contract pending completion.

Rieder Appointment Oked — S. T. White, state director of agriculture, yesterday notified the county court of his approval of the recent appointment of Robert E. Rieder as county horticultural inspector and said he was arranging to furnish the new official with materials he may need and to "give him all the help and instructions possible in this new work." The director wrote that "we are more than happy to approve Mr. Rieder and feel that he will be more than satisfactory in this capacity."

Accident Case To Reach Jury

Arguments in Fuller vs. Miller Action Heard; Next Case Monday

The circuit court jury was sent home for the night at 4 p.m. yesterday after closing arguments had been presented in the \$20,000 automobile accident damage suit of Georgia Fuller against Helen Hiller. Judge L. H. McMahan directed the jurors to return at 10 a.m. today for instructions preparatory to their deciding the case.

The defense put only four witnesses on the stand, Helen Hiller, defendant; Dr. Fred Thompson, Mrs. Velma Rominger and Newell Williams, to testify concerning circumstances surrounding and following in the wake of the accident involving a collision at 21st and Trade streets March 27, 1937.

Witnesses for the plaintiff included Georgia Fuller, plaintiff; Clyde Fuller, her husband; Mrs. Mary L. Hill, Louise Brookman and Dr. H. A. Beauchamp.

Judge McMahan announced the next trial in his department, of the Minnie D. Keeney vs. City of Salem action, would not be started until Monday morning.

Circuit Judge L. G. Lewelling will be here at 10 a.m. Friday to conduct a hearing on the petition of Principal Edward A. Miller for an injunction restraining the Salem school board from discharging him February 1 under the state retirement act. Also on Friday Judge Lewelling is scheduled to hear matters in connection with a dispute over the Gustaf Knopf estate.

Circuit Court — Laura H. Leutsch vs. William J. Leutsch; complaint for divorce and restoration of plaintiff's former name, Laura Annetta Hubbs; cruel and inhuman treatment alleged; couple married July 13, 1932, at Portland, Wash.

Olive B. DeSart vs. Roland F. DeSart; complaint for divorce and custody of one child, based on allegations of cruel and inhuman treatment; couple married in Salem September 9, 1933.

Rosalba Johnson estate; appraisal, \$144.74, by Charles R. Porter, George H. Bell and Fred Albus.

Justice Court — Gustav Patzer; plea of guilty, being drunk in a public place; released pending sentence February 1.

Municipal Court — Clyde G. Morgan, Hillsboro, drunk, 60 days in jail suspended to one year's probation.

Clifford Cook, failed to stop at a red light, fined \$2.50.

Total bail collected on parking tags for the day, \$5.

Inheritance Tax Sets new Record

The inheritance tax and gift tax divisions of the state treasury department reported for \$1,103,533 during the year 1937. State Treasurer Holman announced yesterday. This money was credited to the general fund.

Of this amount, \$1,043,277.41 was inheritance tax and \$60,256.12 gift tax.

The inheritance tax receipts established a new high record, Holman declared.

Despite expensive litigation into which the treasurer was forced by an Iowa federal court opinion, the overhead cost of administering the division was only slightly in excess of two per cent of the total collections.

Willamette Mourns Graduates' Deaths

Ralph McCullough and Ross Gladden, recent Willamette graduates who have met with accidental death within the last few weeks, were paid tributes yesterday by university students during the chapel exercises. At the chapel services there was a moment of silence, a prayer and appropriate music.

McCullough, a Portland attorney, was electrocuted in the basement of his home during the holidays and Gladden was fatally injured in an automobile accident last week.

\$2 Slaying Ends Their "Career"

Genevieve Owens and Mrs. Ethel Sohl

The crime career of two would-be "gun molls", Genevieve Owens, 17, left, and Mrs. Ethel Sohl, 20, both of Newark, N. J., ends as they face charges of slaying a bus driver in a holdup. According to Mrs. Sohl, whose husband now is serving a prison term for forgery, the two virtually "studied" for a career of crime, going to see all the gangster movies, going to dances in the hope of meeting gangsters and playing with guns and attempting holdups. The two are pictured following arrest for the slaying which is said to have netted \$2.

TB Cottage Going To Assist Patient

Portable House Financed by Seal Sale Moved to Stayton Site

The portable tuberculosis isolation cottage made possible through Christmas seal sale funds, will be moved this morning from the county courthouse grounds to a home at Stayton, where it will serve as an open air sanatorium for a tuberculosis patient there who is three months down on the waiting list at the state TB hospital.

The patient into whose home yard the portable cottage goes, is one of three new TB cases discovered in Marion county since the first of the year. His family includes his wife and two small children.

Recovery Chance Aided

The portable cottage, health leaders have declared, affords a much better chance for recovery from tuberculosis because of the hospital routine set up, and also does away with the chance of other members of the patient's family contracting the disease.

The cottage was constructed by the Marion county public health association, sponsor of the annual seal sale, with the cooperation of NYA. The association presented it to the county department of health for use as the health department sees fit.

Mrs. Leola Dolese, county nurse in the Stayton area, will make regular visits to the portable cottage patient.

Republicans Plan Roseburg Caravan

Republican club members of Salem and vicinity are planning a caravan to Roseburg Saturday for the first congressional district meeting of club members with the state republican club. It was announced Wednesday.

Arrangements will be made whereby passengers will share in the expense of cars making the trip. Persons interested in going are asked to get in touch with Robert Jones, county president, at the statehouse or Harold Pruitt, state president, at The Statesman office.

Pruitt and Lyle Thomas, Polk county legislator, are to be speakers at the Roseburg meeting. The dinner there will start at 6:30 p.m. and the speaking program at 8 o'clock.

Portland Office Building Offered

11-Story Structure Will Get Consideration as Plant for State

The board of trade building in Portland yesterday was offered to the state board of control for \$25,000, for use as a state office building.

The cost of the 11-story building would be \$555,999, while the remodeling cost would be \$70,000. Included in the offer was the adjacent Sherwood property for \$90,000. This site to be used as a parking lot.

The owners offered to accept three per cent certificates of indebtedness. The building contains 70,000 square feet, while the state needs 67,000 square feet.

Market Also Possibility

The Portland public market also was offered to the state, but no price was set. The building contains 125,000 square feet. The board indicated it would be soon on the 40 proposed buildings.

Heads of three state institutions, told the board there were 1035 inmates at the penitentiary, 53 at the Girls' Industrial school, and 104 at the Boys' training school, where 80 per cent of the inmates are from broken families.

The board granted the request of Colonel E. F. Tandy, manager of the U. S. Veterans' administration at Roseburg, that veterans be committed directly to the courts to the Veterans hospital at Roseburg. Veterans now are first sent to a state hospital and then transferred to Roseburg.

Tandy said 121 veterans from the hospital at American Lake, Wash., and 58 from the Palo Alto, Calif., hospital would be transferred February 1 to Roseburg, making a population of 200.

Funeral Is Today For Gideon Stolz

Funeral services for Gideon S. Stolz, 93, pioneer business and civic figure of Salem and last of the charter members of Sedgwick Post No. 10, G.A.R., will be held today at 1:30 p.m., from the chapel of W. T. Rigdon company. Mr. Stolz, who came here in 1873 and was the founder in 1879 of the beverage company that bears his name, died Monday.

At the chapel service at which Rev. P. W. Erikson will officiate, Frank Wrightman will give the eulogy as the Elks lodge's part in the rites. Hattie Parrish Hines will sing "Beautiful Isle of Somewhere."

Military honors will be accorded by Capitol Post No. 9, American Legion, who will furnish a military escort and the following active pallbearers: Les Wadsworth, Miller Hayden, Irl McSherry, King Bartlett, Claude McKinney and Douglas McKay. The post will furnish a firing squad and bugler for the grave-site services at IOOF cemetery. Legion members are urged by Adjutant Mem Pearce to attend today's service.

Honorary pallbearers are Jack Hughes, U. G. Boyer, D. G. Drager, E. T. Barnes, J. H. Baker and Frank Myers.

License Requests Still Leading '37

Applications for 1938 motor vehicle licenses received here up to Tuesday night aggregated 228,948, as compared to 216,000 applications on the same date a year ago. Secretary of State Snell reported Wednesday.

The 1938 applications do not include temporary licenses issued by the sheriffs after January 7. There were more than 315,000 cars licensed in 1937, the records show.

State police are continuing their drive against persons who have not obtained their 1938 licenses and a large number of arrests have been made during the past week.

30,000 Registered For Compensation

European Holocaust May Come, not Inevitable, Rotarians Told

More than 30,000 persons had registered up to Tuesday night under the state unemployment compensation law, D. A. Bulmore, administrator, reported to Governor Charles H. Martin yesterday.

Baltimore said the first benefit payments under the act would not be made until early in February. He further announced that all jobs in the department had been filled.

War's Probability

War in Europe is probable, but not inevitable, was the conclusion of a talk on the European situation by Prof. Ivan Lovell before the Rotary club Wednesday. The antidotes for war are freer trade and greater international cooperation to "humanize" international imperialism.

Factors making for unsettledness, said Lovell, are the race for rearmament, the breakdown of the league of nations, the return to the system of alliances and British hesitation which increases the threat of war, and economic imperialism.

The basic causes of warfare he found to be economic and psychological. The have-not nations call themselves anti-communist, but really are "communist" on an international scale. The great growth of population in Europe (multiplied by three since 1800) brings pressures that are difficult to control. The poorer nations have an inferiority complex which causes unrest, and that is an unsettling element.

Prof. Lovell, is head of the history department at Willamette. He is a native of England, was educated at the University of London, but has studied and taught for many years in America.

Veteran State Aid Sales Show Profit

Sales of property by the world war veterans state aid commission netted a profit of \$118,838.37 in 1937, Jerrold Olson, secretary, reported to State Budget Director Wharton yesterday.

The sales for the year aggregated \$1,401,143.25 with an investment of \$1,282,282.54. Commissions totaled \$42,870.65.

In most cases these properties were turned back to the commission when the veteran owners were unable to meet their monthly or annual payments.

Talk Improvement For Dayton Road

Governor, Highway Chief Meet Delegates; See Start, Early Date

Governor Martin and Highway Engineer Baldock met a delegation interested in improvement of the Salem-Dayton road, yesterday morning. Lynn Gubser, Yamhill county school superintendent, was spokesman. Senator Douglas McKay and Fred Thielson represented the Salem chamber of commerce, which has long urged the improvement. Others attending were C. M. LaFollette, Roy E. Will and Gedro Foster, and Mrs. R. W. Craig of Salem.

The delegation was assured that the work would be done at once if funds are available, and if the Yamhill county court approves. This approval has already been given, it was stated.

One change which has caused controversy is relocation of the road at the C. K. Spaulding farm. The survey runs across the farm to eliminate corners, and that has been opposed by Sen. Spaulding.

At the hearing evidence was presented as to the heavy use of the road in bringing fruit in of Salem canneries and parking plants.
