See School Work

MT. ANGEL—Rex Putnam, superintendent of public instruction, and Mrs. Mary L. Fulkerson, county school superintendent, were guests of honor at a luncheon served by the students of Mt. Angel Normal school Friday noon in the new club room of St. Mary's school.

The purpose of the luncheon was to show appreciation to the teachers of St. Mary's for the help and cooperation given the student teachers.

Visitors Program Speakers
A short program, consisting of an address of appreciation by Miss Dorothy Coleman, vocal solo by Miss Viola May accompanied by Miss Marguerite Dannenberg, and a vocal duet by Miss Mary Anne Schneider and Miss Ruth Thompson, was given during the luncheon. Father Alcin acted as toastmaster and he also addressed the group, telling of the importance of giving the correct training to the future teachers of the youth of the land. Mr. Putnam and Mrs. Fulkerson each spoke briefly in appreciation.

Visit Training Classes
Previous to the luncheon Mr. Putnam and Mrs. Fulkerson visited the grade training school conducted at Mt. Angel Normal for the practice teaching of the student teachers.

From 1 to 2 p.m., they supervised the teaching of the Normal students now receiving their practice teaching in the different grades of St. Mary's public school, later visiting the rural school-room in the same school. The latter is an experiment to acquaint the student teacher with the environment and problems of an ordinary rural school that has been successfully tried at Mt. Angel for the past several years.

A DOUBTFUL CONCLUSION--

You have heard as have we, the remark, "Well, I think I am going to pay cash for my groceries and see if I can reduce my grocery bill." Perhaps there was a time when that very thing could be done, not so much because of lower prices as the fact that a lower priced merchandise was purchased. Also, in many instances, only staple goods were purchased, leaving out the little things which, while not costing a great deal, do add a zest to the meal that would otherwise be very commonplace. At your Liberty Street Market you will find that while you get Free Delivery and thirty-day charge account privilege without one cent charge above the regular price, you also get the

same specials offered at other Busick Markets, making it possible for our customers not only to buy as economically as cash buyers but to enjoy the convenience of the free services rendered at this store. We would be pleased to have you visit our Liberty Street Store and if in your opinion we can give you the kind of service you would like, we would feel complimented to have you ask our store manager about opening a thirty-day charge account. Listed below is a reprint of Busick's specials offered last weekend. These prices will be available to you at Liberty Street Market Monday, Tuesday and Wednesday, January 17th, 18th, 19th.
