Salvage Old Stamps - County Clerk U. G. Boyer promptly seconded the motion of Deputy Clerk C. C. Ward yesterday when the latter suggested that Uncle Sam would refund stamp money on hundreds of old uncancelled, printed receipt postal cards stored in the clerk's election room from as far back at least as 1911. As a result the two set to work late in the afternoon sorting out the cards whose stamps were never canceled. The county will receive three-quarters of a cent refund on each penny-stamped card. The postals were used by the late R. D. Allen, clerk in 1911, and by Max Gehihar, clerk in 1914, to obtain receipts from recipients of county warrants.
