State Control of **Pensions Favored**

A movement to have the state take over the entire responsibility for payment of old age pensions appears to be shaping up among county officials, County Commissioner Roy S. Melson said yesterday in reporting on a sectional conference of the State Association of Judges and Commissioners held Wednesday at Eugene. One of the greatest complaints concerning the present old age assistance plan, under which counties pay onefourth of the pensions' cost, is that it takes needed funds away

from road work, Melson said. With Judge Fred Fisk, of Lane county, newly-appointed collector of the customs, resigning, the group elected Judge J. J. Barrett of Lynn, to its position on the state executive committee. Commissioner Melson, being already secretary-treasurer of the group, declined to serve on the committee. Commissioner W. H.
