And dancing with Alec, in a soft, ice-blue chiffon frock, that some time during the last hectic week she had found time to slip out and buy, always wanted more than anything "But if Tommy Gale would come now and dance with me just once, I would give it all up gladly. . . ."

And Alec feeling her tremble in his arms, said, "Are you tired, dear- like that?" est? Had you rather stop?"

I am not in the least tired ... " and know?" she smiled at him because he loved "Oh, "Some day," she thought, and was a I'd go-"" asked Alec, coming little shocked at how easily she accepted it, "and when he has asked back just then with Caroline. me a sufficient number of times, I "To Paris. The Henderson Galshall marry him. . .. " And she won- leries are sending over three Amer- laughter. dered, her eyes moving slowly icans to act as judges. I thought By the middle of February Rox-around the crowded, brilliant room, Gina might be interested." By the middle of February Rox-

sistent.

Barry Bedard, watching Caroline dance with Alec, said to Gina, "You might have told me, my dear, and not let me stumble on it accidentally like this. ..."

She smiled at him. "I supposed you knew, Barry. I thought everyone knew. You can't see them to-gether without seeing how it is."

"Perhaps I just haven't seen them together before." Barry's nice blond face was distressed. "So all that fine advice I gave you last fall wasn't any good after all?" When she smiled like that her whole face changed, became gay and fa-miliar. "I don't know. Possibly. But not for months, anyway." Coast and was only going to be in town for a few hours. Alec said, "His plane leaves at midnight, and it's pretty essential that I spend the avening with him."

"It might have been. Only you were a bit late with it, Barry." "I'm sorry, my dear."

"Don't be I'll be all right." "I'm not so sure."

"Tm not so sure." "But I shall be, really. Don't I seem all right?" "Yes. But you would. You're too damn clever, darling, for your own good. You always were." "Maybe you're right. But I haven't been very clever about Alec, have I?" She could still smile that half humorous little smile that to night did not quite reach her eyes. Music swirled and melted around them. Somewhere out there on that crowded dance floor, Alec held Caro-

them. Somewhere out there on that crowded dance floor, Alec held Caro-line in his arms. Barry leaned for-ward and touched Gina's hand where it lay quietly on the wall seat beside him. "Can't anything be done, darling? Surely, this won't last?" She shock her head "I think it Sometimes it second to him and a great deal of Roxanne Talbot.

She shook her head. "I think it Sometimes it seemed to him, as evening alone with Caroline Hoyt

cessful marriages have been built on music, tall, cold drinks or short, Because there was no answer to in shining metallic frocks and sleek much less than that." this, Barry said, "Why don't you go dark furs, slim white hands with away for a while? Wouldn't it be polished scarlet nails, the soft, white she thought, "This is what I have always wanted more than anything" easier for you?" curve of her breast accented by the "Probably. But where would I only flower she ever wore—a single, always wanted more than anything else ... I am going to have a career. This is a very little beginning but it think of a place ... and a reason embrace must surely crush to death This is a very little beginning but it is enough. I am going to have a great success." Then she thought, "Put if Tommy Gale would come

in mind now. I think I can get you Roxanne, who as the winter slid on the committee that is going to toward spring, became increasingly Paris in June to judge an American warm and fragrant and intoxicating exhibition there. How would you to touch, who knew so well when to be softly acquiescent, when to be st? Had you rather stop?" "I don't know. I'll have to think provocatively remote. Who knew, She shook her head. "No, please. about it. How soon must you in short, all the facile woman tricks

for making a man forget things he
