Beatrice Benge Named Queen of Dallas Historical Pageant

Event Slated Friday Night

Old Time Fiddlers Contest to Be Finale; Leading Roles Listed

DALLAS-Miss Beatrice Benge, daughter of Mr. and Mrs. S. M. Benge, was chosen by the Dallas high school student body to reign as queen over the historical pageant which will be presented at LaCreole field Friday night, June 3. Miss Mildred Voth and Miss Beverly Branch were selected as

Queen Beatrice is a member of this year graduating class and is the fourth in her family to graduate from Dallas high school. She is a member of the girls' league and for two years was a member of the glee club.

Milsa Mildred Voth, a senior, is daughter of Mr. and Mrs. J. H. Voth and comes to Dallas high school from the Salt Creek community. She is the third in her family to graduate from Dallas high school.

She was a member of this year's debate team which won the district championship. She has been secretary of her class for three years, student body secretary, and also served as secretary of the Girls' League. She is president of the Pro and Con club, leader of the girls' drill team this year and a member of the Leader's club from the senior class.

Miss Beverly Branch, also a senior, is the daughter of Mr. and Mrs. M. E. Branch and comes by bus from Lewisville. She is majoring in home economics. She is a senior member of the Leader's club, member of the Dragonettes, member of the Girls' League for two years and of the glee club for three years.

Pageant at 7 p.m. The pageant, which will depict the history of Dallas, will be given Friday night starting at 7 o'clock, Miss Anna May Unrath, high school physical education in-structor, is general chairman. She is being assisted by several other members of the faculty. Students from the three Dallas schools will take part in the affair. Very small admission will be charged to help pay for the costumes and scenery. Queen Beatrice will be crowned

by Supt. R. R. Turner, after which she will declare the opening of the pageant. The history of Dallas, as will be depicted in the pageant, was compiled by the English classes of

Miss Viola Crozer. It has been diwith the arrival of the first pio-Take Main Parts The main characters in the pageant are: Charles Lynn as Nathaniel Ford; Donald Sanders as

Defends Mooney

Testifying before a house sub-committee in Washington in behalf of Tom Mooney and Warren Billings, imprisoned since the Preparedness day bombing in San Francisco 20 years ago, G. W. Grimmer of Los Angeles, Cal., asserted he "was told to testify" that he saw the two men at scene of the bombing but refused. A plainclothesman, Grimmer said he shadowed Mooney and Billings on the day of the bombing.

List Winners In Lamb Show

Scio Event Makes Striking Growth in Three Years; 170 on Display

SCIO-One hundred seventy ambs were on exhibition in Scio Saturday at the fourth annual fat lamb show, as against less than one-third that number exhibited in 1935, the first year of the fete. Attendance this year also was reported the largest in the history of the show.

Weather was ideal for the day and many compliments were heard from strangers relative to the manner in which the program was delivered. Canvas canopy provided shade for the animals exhibited, in striking contrast to conditions prevailing on previous occasions.

The list of prize winners in various exhibits follows: Various exhibits follows:

"YOU SHOULD SEE WHAT I SAW WHERE CAMELS ARE MADE"BY

AMERICA'S LAUGH KING, Eddie Cantor, has his serious moments too. His uproarious "Cantor's Camel Caravan" broadcasts (every Monday night-Columbia Network) command respect because of his sincerity in his work. And Eddie's truly sincere in his self-termed job of "Camel Radio Salesman." Says salesman Cantor, "Everything isn't too much to know about a cigarette like Camel." Eddie took a trip to Winston-Salem, home of Camel cigarettes. Here is what he saw -

"HELLO EVERYBODY! Here I am in Camel town. Am I impressed! Everybody looks so happy - so enthusiastic! You'd think each one of the 13,000 Reynolds workers owned the plant. And say, thousands of them are owners-they've got Camel stock! And they really get fun out

be that's a reason people get so much fun out of smoking Camels. Wouldn't you like to work here? Nobody's been laid off by Camels in 12 years. When that old whistle blows, all the officials in this place are right on the job too. And they have only one job - making

more people smoke them than any other cigarette. Yes -that's everybody's job at Camels. Imagine a place like this Camel plant. They had social security here years ago. When you're sick, you get a nice healthy check each week.

If you die, your family is protected

reach retirement under the Reynolds plan, the company sends you a check each month for the rest of your life. It's certainly great to be a Camel worker! COSTLIER TOBACCOS? Has Camel got folks, in the picture above. And there's a hundred million dollars' worth of it right here at Winston-Salem. That tobacco looks

If you're smoking a Camel, you're smoking some of those finer, costlier tobaccos right now. How do they keep this tobacco 'just right,' the way you like it? They make the workroom 'weather' themes with a wonderful air-conditioning plant. And, besides, they actually wash the air every few minutes. Do the Camel folks like to work in that place! In the last pic-

costlier Camel tobaccos go-ing into finished cigarettes—millions and billions of them. 'There's a lot of pleasure coming out of those machines,' I said to my guide. 'IN FACT, YOU CAMEL PEOPLE AND I ARE REALLY IN THE SAME BUSINESS - MAKING MORE PLEASURE FOR MORE PEOPLE!"

Have a Camel! See for yourself why there's more real pleasure - more out-andout enjoyment - in Camel's matchless blend of finer, more expensive tobaccos -Turkish and Domestic.

See why tobacco planters, men who grow and know tobacco, make Camel their cigarette. You'll say, as millions of smokers do, "Camels agree with me." Camel is America's largestselling cigarette!

Don't miss Cantor's Camel Caravan Monday nights! See radio listing in your local paper for time.
