**Pattern**

Anne Adams presents a frock-saver pattern that's entirely new and different! See that smart effect with the side closing that unbuttons for flat ironing, and note how the design gives extra protection in the back as well as the front. Without doubt, this clever pattern (No. 4848) is the most efficient of coveralls! In addition, the back is cut to prevent the shoulder straps from slipping down. Make several variations in cretonne with ric-rac, in beruffled dimity or organdy. And why not do a style with both side seams stitched up? The apron can slip over your head.

Pattern 4848 is available in sizes small, medium and large. Small size, apron with ric-rac, takes 2 1/2 yards 36 inch fabric, and 3 1/2 yards ric-rac. Apron with ruffles, 2 1/2 yards, and 1/2 yard ruffing.

Send FIFTEEN CENTS (15c) in coin or stamps (stamps preferred) for this Anne Adams pattern. Write plainly SIZE, NAME, ADDRESS and PHONE NUMBER.

Do you want to be a style leader this summer? Then write at once for the ANNE ADAMS SUMMER PATTERN BOOK. It's filled with hints on how to be cooler and smarter—how to choose, combine, accessorize, more glamorous—how to be correctly dressed for every summer setting, whether you'll be making last day in sending for this fascinating book, and make yourself some striking new summer clothes. PRICE OF BOOK FIFTEEN CENTS. PRICE OF PATTERN FIFTEEN CENTS. TOTAL THIRTY CENTS TOGETHER.

Send your order to The Oregon Statesman, Pattern Department, 213 Oregon Bldg., Salem, Ore.
