# Picket Arrest in Warehouse Riot

Arrested while more than 250 striking CIO warehousemen's union pickets milled around a San Francisco plant, Albert Anderson, 28, was taken into custody by police. The brief riot was the outcome of a warehouse strike which recently closed 21 plants. Workers at a stationery company returned to their jobs where a short tieup had threatened to halt printing of ballots for the state primary election. It was feared continuation of the strike might close a steel mill's open hearth and rolling mills, throwing 800 men out of work.
