**More Grain Thefts Occur, Perrydale**

PERRYDALE—Farmers around these parts are wondering if the thief who is visiting the grain fields is weak or has a small convenience to haul away the grain. Robert L. Walker's fence was cut and they drove in the field and emptied out about half of the grain out of each sack, taking away 13 sacks Tuesday night.

They carried a number of full sacks of hairy vetch and threw it over the fence at Robert Mitchell's. Presumably a car is being used. Mrs. Cliff Hill of Enterprise, is seriously ill at her home. Mr. Hill returned only last week from the hospital from an operation on his eye. Mrs. Hill's children were called to her bedside Wednesday night.

She with their three daughters and four sons survive. Doerfler was a prosperous and far-seeing farmer and it was a great pleasure to him that all four sons have developed splendid farms close to him. The Doerfler name is well known at the state fair where stock and nuts are always shown by these sons.
