Pete Hauser Rated Honor Boy at First Session at Silver Falls

YMCA Camp Silver Creek—The "Y" camp is a busy place these days, with the woods full of boys. There are 73 boy campers and 18 leaders in camp making

ing a grand total of 91 persons. This is the largest number the Salem "Y" has ever had in camp at one time. The boys are having a real time and are getting organized in good shape. And how the fellows do eat—they are keeping Pop Cray and Ed Mason, the cooks, on the go. Camp classes are proving very popular, with leather weaving leading the list with the most enrolled; handicraft next, then learn-to-swim class and archery. Boys in the handicraft classes are making pup-pot boats, boom-crangs, and many other projects. The leather gang is "staying watch bands, whistle chains. Also the boys are learning to make beds, roll packs, build fires, and each unit is constructing campfire circles in their unit. This is a good project and one the boys all like.
