

### Heavy Rains Injure Wheat

#### Former Kansas Residents Find Sorry Conditions Upon Return There

LEBANON—Mr. and Mrs. Will Shumaker and son Frank and wife, who located at Crabtree two years ago, have returned from a trip to their former home in Kansas where they found discouraging crop conditions as rain, which has fallen abundantly, has injured the wheat; and crops that have not yielded to blight are destroyed by bugs. A Lebanon owner of wheat land in Kansas had but \$7.00 from a large acreage. The Shumakers say Oregon is good enough for them.

Lebanon was well represented in the festivities at Philomath the past week; ex-Mayor Munyan dedicated the new fire building in a speech; Marion Michelson, a princess in the parade; Mervin Gilson, Lebanon fire chief, joining in a fire-fighting demonstration with the chief at Philomath. Lebanon schools will open September 12.

**Order Band Uniforms**  
Harry Palmer, principal of Sweet Home high school, reports that uniforms have been ordered for the high school band; probably to be initiated at the Sweet Home fair, September 22-23.

**Kenneth Blatchley, Lebanon employe of the US employes compensation commission, was admitted to the Lebanon general hospital for treatment for injuries suffered while fighting fire.**

### Peace Reigns Among Feathered Folk In Howell Prairie as Swallows Leave

By HELEN WIESNER  
NORTH HOWELL—The mud swallows are gone. Very early yesterday morning there was a great deal of noisy chirping and bird calling as the leaders evidently rounded up several hundred swallows and prepared for flying south.

Two months ago, the first swallows appeared and made themselves at home around the barns and in all the nesting places available, where they raised large families.

Last week the young swallows were learning to fly and made a cheeping noise as they circled over the low trees; and the telephone wires were full of swallows perched in the hot sunshine. Today they are gone; the swinging wires are clear, the robins, martins and bluebirds are unmolested, and peace reigns among the feathered friends.
