

### Cabin Camps on Trip Found an Economy

(Continued from Page 10)  
of citronella to put on exposed spots at night to discourage the mosquitoes, a spray gun for other insects.

Duffle or canvas bags are the handiest things to carry on a trip because they pack easily without scratching the car. A suitcase with the best clothes in it might be packed with overnight things kept separately so all the bags would remain undisturbed on an overnight stop.

Stores are practically always handy to tourist camps, only a few staples need be taken, other things bought en route.

It's practical to include a minimum number of cooking utensils and silverware as some camps do not include such equipment. If bed linen and covers are included in the equipment, a saving on cabin rates can be made in some camps. Familiar bedding is a pleasure.

Among the other equipment to take if one is traveling very far and stopping any place where even a suggestion of the primitive is to be enjoyed are:

A hatchet, apron or smock, powdered soap, needle and thread, safety pins and toilet tissue.

### More Icebox Desserts in Recipe List

Not long ago on these pages were found pointers for making those elegant looking yet delightfully practical desserts, icebox cakes. Several recipes were given and proved popular among the women readers and (we hope) their families. Here are others:

A novelty in this recipe for **TOMATO ICEBOX CAKE**  
1 tablespoon cornstarch  
1 cup canned tomato juice  
3 beaten eggs  
1/2 cup butter

1 cup confectioner's sugar  
Blend cornstarch with the tomato juice and cook over hot water until slightly thickened. Pour it slowly over the lightly beaten egg yolks and cook over hot water until thick. Cool. Cream butter, that has been mashed and washed to remove part of salt, with the sugar and blend in the tomato mixture. Fold in stiffly beaten whites and pour in a mold that has been lined with lady fingers or sponge cake squares. Chill for 24 hours in the refrigerator and remove from pan. Decorate with sweetened whipped cream. May add another third cup sugar if a sweeter dessert is desired. Serves 8.

Chocolate flavor is popular in most any dessert and here's the icebox version.

**CHOCOLATE ICEBOX CAKE**  
1/2 cup butter  
1 1/2 cups confectioner's sugar  
2 eggs  
2 ounces melted chocolate  
1/2 teaspoon vanilla  
Cream butter that has been

mashed and washed to remove salt with confectioner's sugar and add the slightly beaten yolks. Beat well and add the chocolate and vanilla. Fold in beaten whites and put in a mold that has been lined carefully with lady fingers or sponge cake. Chill for 24 hours, remove from pan and decorate with toasted cocoanut or sweetened whipped cream. Serves 6 to 8.

Coffee flavors this icebox cake that includes cornstarch.

**COFFEE ICEBOX CAKE**  
1/2 cup strong coffee  
1 tablespoon cornstarch  
1/2 cup butter  
3 eggs  
1 1/2 cups confectioner's sugar

Blend the coffee with cornstarch and cook over hot water until slightly thickened. Pour over the beaten yolks, return to double boiler and cook until thick, about 3 minutes longer. Cool. Cream the butter that has been washed to remove salt, with sugar and when smooth add coffee mixture and fold in the beaten whites. Put in mold lined with lady fingers and chill for 24 hours. Decorate with whipped cream when ready to serve.

### Carrots Served With Bread Sauce

Bread sauce is an old fashioned addition to vegetables and goes nicely with fresh young carrots.

**CARROTS WITH BREAD SAUCE**  
1/2 cup soft bread crumbs  
2 tablespoons butter  
2 tablespoons finely chopped onion  
6 large carrots  
1 tablespoon finely chopped parsley

### Tango Dressing Topping For Fruits

An especially good dressing for fruit salads is this one that includes such ingredients as whipping cream and celery seed. It's a boiled dressing without oil!

**TANGO DRESSING**  
1 1/2 tablespoons flour  
1/2 tablespoons mustard  
1/2 tablespoons sugar  
1/2 tablespoon salt  
1 egg slightly beaten  
1/2 cup evaporated milk  
1/2 cup lemon juice  
2 tablespoons butter  
1/2 teaspoon celery seed  
1/2 cup whipping cream  
Orange Juice

Sift flour, mustard, salt and add egg, milk and lemon juice. Cook in double boiler, stirring constantly until mixture begins to thicken, strain, add butter and celery seed, cool, add cream and beat until thick. Just before serving thin with orange juice.

### Says Drama Body Overrun by Reds

WASHINGTON, Aug. 11—(AP)—Rep. Thomas (R-NJ) demanded a house-cleaning in WPA's fed-

eral theatre project today on the ground that it "is completely dominated by the communist on the legitimate stage."

It is used, he said, as a "patronage vehicle for reds." He cited the case of a New York chambermaid, alleged to be a

communist. She was given a leading role in a play, he said, although she had never appeared on the legitimate stage.

He said he would ask an investigation by the house committee on un-American activities, of which he is a member.
