# With July Top

But Backs Down Later: Automotive Shares **Prove Strongest** 

NEW YORK, Aug. 24.-(AP)-The stock market flirted today with the peak prices of the mid-year upswing touched a month ago but backed away when the going became difficult.

Finding the July tops a formidable barrier, most shares relinguished part or all of the gains scored in early dealings when a brisk advance carried over from the previous session.

Honors for planting the banner of the bull forces at new tops for the year were restricted to a few automobile and motor supply shares mainly, including General Motors and Chrysler, but late profit-taking cut into the winnings of these groups, too.

At the close, moderate losses and gains were rather evenly divided among the most actively traded shares. Only a minute distance away from the summer the Associated Press composite price of 60 stocks at the finish was unchanged at 49.6. The top last mouth was 50 8. Dealings totaled 1,235,160

Starts Selling

CHICAGO, Aug. 24-(AP)-Wheat lost two cents a bushel today when a wave of stop loss selling struck the pit in the final hour. Liquidation here was touched off by a drop of almost three cents at Winnipeg.

Chicago prices rose about a cent at the opening and during the first hour remained fairly steady but thereafter selling increased and when quotations slipped a large number of orders to stop losses were forced into execution. The extreme drop from the early highs was almsot three cents.

Winnipeg at New Lows Winnipeg prices were at new lows for the season while Chicago quotations were little more than a cent above five year lows made a week ago.

"Paris was all sorts of fun and Helena is fine. She wants me to visit her this winter in New York. She sent you her love and some fifty-year-old cognac. She said she hoped you'd get to be one of the most successful young newspapermen in America.

Tod grinned. It had been Helena who had backed him up in leaving college. She had said: "We're the college. She had said: "We're the misfits in this family, Tod. We don't belong.
