#### The Eleven of Diamonds FLOOGIE WITH FLOY FLOY By BAYNARD A. KENDRICK SYNOPSIS There was another window, by the you please. I'm going back downdoor to the porch, but the other stairs." Toby turned his back and settee-swing faced it. Toby had sat started from the room.

Edward Fowler, a wealthy gambler, is murdered at the Sunset Bridge Club in Miami. His body, with a knife in the back, is found in the poker room. Fowler had played bridge that evening with Millie La Eckhardt and Dave Button, but only to be found dead in an adjoining room early the next morning. A mysterious prowler discovered the body, following which the police received an anonymous phone call informing them of the crime Two weeks previous, Fowler had searched the hotel suite of the Durlyn Bessingers. Bessinger claimed to be a wealthy grain merchant but Fowler believed this only a blind as letters found in a trunk relating to his grain business were evidently written by Bessinger to himself. The Bessingers were at the club the night Fowler died. Bruce Farraday, the millionaire, enlists the services of private detective, Miles Standish Rice, to help clear up the murder because his son, Tolliver, is involved. The boy's torn check to Fowler for the sum of ten thousand dollars was found in the latter's room. Farraday, Sr., tells LeRoy and Stan that his party, consisting of his daughter Eve, Tolliver, and Mrs. Staunton (a friend) had left the club about 1 A.M. (two hours after Fowler left) and gone to the Alligator Inn with a Commander Eric Dawson, whom he had just met, and the Bessingers. Glen Neal, the society reporter ,was also in the party. Later, Millie arrived at the Alligator Inn with Eckhardt and
