Good Saturday

Hectic Week Ends Upon Bright Note as few new Highs Set

NEW YORK, Oct. 1-(AP)-Stimulated by further hopes of broadening peace in Europe, the stock market finished the week today with the best Saturday

performance in three months. The list got off to a rather quiet start, met and overrode profit taking, then continued to ascend with increasing momentum. Just before the close a burst of buying in virtually all departments put the ticker tape in arrears two minutes.

New 1938 Highs Posted of 60 stocks pushed up .9 of a 8.50; heavy calves 4.00-8.00; few to 8.50

point to 49.1, where it was only 1.7 points under the peak for 1938 to date. On the week the composite was up 3.9 points, which was the best showing for any similar period since the June rally got under way. Transfers for the two hours totalled spin and since the common down to 1.00. fers for the two hours totalled 946,490 against 797,370 a week ago. It was the liveliest Saturday since July 2.
